D.'s Poorlasis, and others Leprosy, commencing on my scalp, and, in spite of all I could do, with the help of the most skillful doctors, it slowly but surely extended until a year ago this winter it covered my entire person in form of dry scales. For the last three years I have been unable to do any labor, and suffering intensely all the time. Every morning there could be nearly a dustpanful of scales taken from the sheet on my bed, some of them half as large as the envelope containing this letter. In the latter part of the winter my skin commenced cracking open. I tried everything, most, that could be thought of, without any rellef. The 12th of June I started west, in hopes I could each the Hot Springs. I reached Detroit, and was so low I thought I should have to go to the hospital, but finally got as farms Lansing. Mich., where I had a sister living. One Dr.—treated me about two weeks, but did me no good. All thought I had but a short time to live. I carnestly prayed to die. Cracked through the skin all over my back, across my ribe, arms, hands, limbs, feet badly swollen, toe nails came off, finger nails dead and hard at bone, hair dead, dry and lifeless as old straw. Oh, my God; how I did suffer!

"My sister, Mrs. E. H. Davis, had a small part of a box of Cuttoura in the house. She wouldn't give us: said 'We will try Cutioura.' Some was applied on one hand and arm. Eureka: there was relief: stopped the terribie burning rensation from the word go. They immediately got the Cutioura Soap (the great skin cures). I commenced by taking one tablespoonful of Resolvent three times a day, after meals, had a bath once a day, water about blood heat; used Cutioura Soap freely; applied Cuticura morning and evening. Result, featour about blood heat; used Cutioura Soap freely; applied Cuticura morning and evening. Result, featour about blood heat; used Cutioura Result, water about blood heat; used Cutioura Result, water about blood heat of the contents and cutiour about blood heat in the case of 66 T HAVE been afflicted for twenty years with day, after means, used Cuticura Soap freely: ap-plied Cuticura morning and evening. Result, re-turned to my home in just six weeks from the time turned to my home in just six weeks from the time.

I left, and my skin as smooth as this sheet of paper.

"How came you out here, Lily?" asked sleep. took less than three minutes from the time | boot leg lying in the corner, and scrutinizing Booth jumped on the stage from the Presi- it all over, found inside the leather the initials "J. W. B." That was enough. To the agony of grief, and with a family of four children to be looked after.

Booth rode the forty miles from Washington to Mudd's house in six house. It took my team of fast steppers ten hours to cover the same distance. The breaking of the sad dle girth of his horse was an evidence of the end of the earth he could not have escaped the fate that befel him.

HENRY V. O'CONNER.

close, military sentinels were posted at both of the Water. -One would hardly believe soon as the grass had burned sufficiently In inprovements consist of a large flyening of present some and a kitchen, a close, military sentinels were posted at both form of lose, containing eleven rooms and a kitchen, a constant of the bridge that crosses the Anacostia on either sale on the land on either sale of the broken of the broke umber of never failing springs of pure water.

Business of every one crossing the bridge, good joke to tie a fish line to the leg of the will sell very cheap. Payments easy, to suit purchaser, and a perfectly good title given. The property is in a very beaithy location, with a grand view from the house, and for more than twenty, five years has been used as a delightful resort for summer boarders.

To get over this difficulty it was arranged gander, with a hook properly bated, and between Booth and Harold that the latter which a line on one leg about ten feet long, at side, until night, and then, about 10 o'clock.

To get over this difficulty it was arranged gander, with a hook properly bated, and watch the result. So he fixed the gander with a line on one leg about ten feet long, at side, until night, and then, about 10 o'clock. side, until night, and then, about 10 o'clock, the end of which was a pickerel hook and a breath enough to speak. ride down to and across the bridge, answer- frog for balt. The gander was driven into ing the challenge of the sentry of "Who goes the mill pond, where he swam around for obliged to duck my head under, then the there "by replying, "a messenger going for half an hour, turning flip flaps, and diving burning reeds fell into the water until they against this vile stuff called alcohol. Intema doctor." The answer was, of course, for feed. Suddenly the gander felt a pull at set it to steaming, and when I raised my bound to pass him over. On returning, and his leg, and he looked as surprised as the head I got a breath of hot air, that made me hood in its strength and age in its weakness. after meeting Booth near the Marine Hospi- "Lone Fisherman" when he caught a whale. think that my choice lay between boiling tal, Harold was to ride back ahead, and after The gander seemed to think there was some and roasting; I'd like to see the fellow that ing from Chest Springs to Gallitzin. Said Farm contains 175 Acres, about 80 Acres of which are cleared, and the improvements comprise two good Dwalling Houses, one of which is 35 stories and the solling two good the other 255 stories high, an excellent Hang Bank, 70 by 30 feet, a Walfing Solling for the doctor." Booth was to ride back ahead, and after answering the sentry's challenge again of "Who goes there?" by saying, "The messentians condition and capable of sawing 3.000 feet of the doctor." Booth was to ride back ahead, and after thing the matter with him, and he looked down at his feet under water to try and see ger who went for the doctor." Booth was to ride up, and to the challenge of "Who goes there?" answer, "The doctor."

This arrangement worked to a character of think there was something the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the matter with him, and he looked down at his feet under water to try and see into it. The pickerel began to yank, and the garden was under the matter with him, and he looked down at his feet under water to try and see into it. The pickerel began to yank, and the was not well and was corched some. The pickerel began to yank, and the was not well and roasting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry's challenge again of "Who goes there?" by saying, "The messenting the sentry is the gold to the matter with him, and he looked the sentry is the sentry is the sentry is buildings. There are two orchards of choice fruit on the premises, several good springs convenient, one of them being in the barnyard and having a foundatin pump and a constant flow, besides a good well-of water at the door, and fully one million feet of good saw timber, hemicek, hickory, cherry, maple, ash, oak, etc., on the portion not yet cleared. In connection with the saw mill is a good picket header, lathe saw, cut-off saw, etc. The property will be sold, and sold at a bargain, because the owner is no longer able to run the mill or work the owner is no longer able to run the mill or work the farm. For further particulars call on or address fine, but cloudy. The roads were heavy here and there from recent rains, but Booth They say it was a fine study to watch the expression on the features of the gander. took little thought of that. When the level expression on the features of the gander. Estate of Matthew M. O'Neill, dec'd.
