COULD WE TELL.

As we do, Fate unawares? Could we tell, my friend and neighbor, What there was for us in store-

Would not life lose half its sweetness? Would not pleasure be in vain? Walking blindly through the shadows,

Hope and Faith our shield and buckler, Is for us the better way. By and by the mist will vanish, By and by the shadows glide, Letting in the light of wisdom

A TRUE STORY. his house; an invitation which I gladly actherefore, to so arrange matters as to arrive and rushed off to Euston, where I arrived with just two minutes to spare. I asked for it." I took his advice and jumped into the nearest first-class compartment, the door of to observe my fellow-traveller. Now I rather pride myself on being a judge of physiognomy, and my first impressions of him were the reverse of pleasant. He was evidently 'a fidgety, nervous sort of man; he had restless hue. He was dressed in a long ulster, which was late in the year the weather was by no

what. After regarding me steadily for a few "Is it possible, sir, that you are not aware of this carriage being reserved for State officials ?"

I looked around, and seeing ne indications of the fact, replied that I was not aware of .. 8 7.61 such being the case.

"Then, sir," he replied, "I must beg of you instantly to vacate it, and leave me here

Considering that the train was then going at the rate of about forty miles an hour, and would not stop until it reached a small station half way to my destination in about an hour's time, I could not quite see how I that I had as much right there as he had, and did not intend moving.

He replied, with a most solemn air: "Then your fate be on your own head." This began to frighten me, for the man's manner convinced me that he must be insane: and the prospect of an hour's journey shut up in a first-class railway carriage with newspaper, though in reality I was watched hold of the wooden box and held it on his knee, mumbling some inarticulate words, and armed with a revolver or pistol, while I quence of their length, I was compelled to

Estate of Fixxers Cooven, dee'd.

Letters testamentary to the estate of Francis Cooper, late of Clearfield township, dee'd, having been issued to the undersigned by the Register of Cambria county, notice is hereby given to all persons indebted to said estate that payment must be made without delay, and those having stafins against the same should present them properly authenticated for settlement.

"Well," said be, leaning

Could we see life's cares and pitfalls, Could we count its many snares, Should we happier be than meeting,

Whether riches and abundance, Or the lean wolf at the door— Could we foresee hours of anguish, Every ache and every pain, Now and then a cheering ray,

When we reach the other side. A QUEER FELLOW-TRAVELLER.

Some years ago I had occasion to take a long journey to the north; a journey which would involve my traveling all night. A few days before I had received an invitation from way he showed his teeth would have ter- look at a king." I had to pass, to dine and stay the night at cepted, as if would prove a pleasant break in the monotony of the journey. I resolved, at his house in time for dinner, and proceed to my destination the next morning. When the day arrived I was very busy; so, after a "Here, I say, guard, there is a madman in—" fion came from a chance remark by Webster, but love before and of the allowed the Mormons are supported in the suggestion of the older was a state guard close, the door, I cause from a chance remark by Webster, but love before and of the older was a state guard close, the door of the older was a state guard close, the door of the older was a state guard close, the door of the older was guard close, the door of the older was a state guard close, the door of the older was guard close, the close the older was guard close to the older was guard close my train, which the guard pointed out, adding, "If you don't hurry up, sir, you'll lose which stood open, and in which there was but one other occupant. I settled myself for my Journey, and for the first time had leisure
