His staples are down, his face long. but why? No reason while his dollar will buy so much. The Oak Hall stock proves this. Our story for this spring is a tale of cheapness. Note these examples in Men's Suits: Blue Flannel Suits. \$6.50, \$10.00, \$12.00. \$15.00. They are all. except the lowest, all-wool and all full

Brown, Wine, Blue and Dahlia Worsted Suits, \$15.00, \$20.00, \$22.50, \$25.00, \$28.00. Just so through all the stock, the three great E E E's. Elegance, Excellence, Economy, prevail.

Real wants demand real supplies, and this lact underlies the great Oak Hall Million Dollar investment Clothing and Cloths for Men and Boys. Real Bargains must
