## EBENSBURG. PA .. FRIDAY, - - - JULY 24, 1885.

Cambria Freeman.

WE are indebted to Hon. Nathaniel Horne for a copy of the report of the for 1884, relating to industrial statistics, and also for a copy of the State and 1884.

GENERAL GRANT, who has been only five and that the bill had already gradually sinking since last Tuesday passed the Senate through Democratic Hudson river a few miles above Troy, Quay admitted that he had advised the N. Y., between 7 and 8 o'clock this Republican members from his section, (Thursday) morning. We have no Beaver, Lawrence and Washington time before going to press to add any- counties, to rote in favor of the veto, thing to the mere appoundement of his -death.

HENRY W. OLIVER is the most extensive iron manufacturer in Pittsburg and his views in regard to the revival of business are entiled to great consideration He was in Philadelphia last week, and being interrogated on the subject, said : "There is a better feeling now in business circles. Naturally nothing can be expected during the summer months, but I am satisfied that September will see all of us quite busy in the western part of the State. This is the opinion of most business men I meet. There may not be a headlong rush, such as we have sometimes had, but business will likely be steady and on a good ba-818, 17

office."

which has been in force over a year, be a mighty hard lesson to learn. has utterly failed to bring about the results claimed by its advocates. A paper in Davenport has taken pains to collect statistics from twenty-five of the larger towns of the State to show how it has worked. These were collected from Mayors and Town Clerks, who say that the entire number of saloons now openly in operation is 916, against 770 before the new law went into effect. In one place the increase has been from 50 to 75, in another 68 to 109, and in still another from 130 to 150. Under from \$250 to \$1,000. In some places this produced a revenue of nearly thirty thousand dollars, which was, of course, entirely thrown away when the State sue licenses at any price or with any rerestlictions, however severe. The general opinion favors the repeal of a law that has thus defeated its own ends, and which has demonstrated so thoroughly that prohibition does not prohib-
