Seeing no mention in your Almanse of your Sarsapariin being good for seurry. I thought you coght to know o this, and so send you the facts.

Respectfully yours, RALPH Y. WINGATE. The Trooper's Experience.

Maeren, Basuloland S. Africa., March T. 1858.

Dr. J. C. Aten & Co.—Gentlemen: I have much pleasure to testify to the great value of your Sarsaparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "veldt-sores." I had those sores for some time. I was advised to take your Sarsaparilla, two bottles of which made my sores disappear rapidly, and I am now quite well.

Yours truly, T. K. Boden.
