How to Make Them So-Keep Them in Health and They Will Take Care of the Rest.

The joy of every well-regulated household comes chiefly from the children. Thousands of affectionate parents do not take care of their children. Through ignorance more than culpable neglect they suffer them to fall sick and die, when knowledge might have saved them to love and home. It. David Kennedy offers his "Favorite Remedy" as emphatically a medicine for his children—gentle in its action, containing me horseful ingredients schulerer, going straight to the Blood, which, when impure, is the seat and source of disease. "Favorite Remedy" is the friend of childhood and should be found in every nursery in the land. Keep it in your house for your children's sake, as well as for your own. Try it and you will be glad you saw this article. Make no mistakes. The medicine is "Favorite Remedy" and the proprieter's name and address: Dr. David Kennedy, Rondout, N. Y. One dollar a bottle.

Good Words fer a Good Thing .- Dr. David Kennedy's "Favorite Remedy" is exactly what it claims to be, and deserves the praises that are showered upon it by all who have used that are showered upon it by all who have used it. Mr. Jerael H. Snyder, of Saugerties, N. Y., says: "My little daughter was covered with Salt Rheum from head to foot; Dr. Kennedy's 'Favorite Remedy' cured her. This was two years

We are not in the Habit of Puffing any sort of patent medicines in our columns, but we happen to know Dr. David Kennedy, of Rondout, N. Y., and can personally testsy to the excellence of the medicine whith the Doctor calls "Favorite Remedy." And if a word of ours will persuade anybody to use it and thus find relief from suffering no professional eliquette shall hinder us from saying that word. For diseases of the blood, kidneys and bowels it has no equal. We would not be without it for five times the dollar that it costs.—Daily Times, Troy, N. Y.
