OBITUARY.

MORGAN. - Died, at the residence of her sister, Mrs. R. E. Jones, in Ebensburg, on Monday, September 21, 1885, Mrs. Esther Morgan, wife of John Morgan, aged about 50 years.

Mrs. Morgan was a step-daughter of Mrs. Catharine Roberts and a sister of Mrs. George Huntley and Mrs. R. E. Jones, of this place, and of Mrs. William Smith, of Blairsville. She was well and favorably known in the community, having lived here the greater part of her life. The death of two daughters in quick succession, preyed upon a naturally delicate constitution and her own decline and death were the inevitable result. She was a faithful member of the Presbyterian church, and died in the full hope of a triumphent immortality beyond the grave. A loving wife and judicious mother, her loss will be greatly felt by her husband and three children who are left to mourn her death.

Happy Children.

How to Make Them So-Keep Them in Health and They Will Take Care of the Rest.

The joy of every well-regulated househeld comes chiefly from the children. Thousands of affectionate parents do not take ears of their children. Through ignorance more than culpable neglect they affect them to fall sick and dis, when knowledge might have awed them to love and home. Dr. David Kennedy offers his "Favorite Remedy" as emphatically a medicine for his children—wentle in its action, containing mo harmful ingredients whatever, going straight to the Blood, which, when impure, is the seat and source of disease. "Favorite Remedy" is the friend of childhood and should be found in every nursery in the land. Keep it in your house for your children sake, as well as for your own. Try it and you will be gind you saw this article. Make no mistakes. The medicine is "Favorite Remedy" and the preprietor's name and address: Dr. David Kennedy, Rondout, N.Y. One dollar a bettle.

Good Words for a Good Thing.—Dr. David Kennedy's "Favorite Ramedy" is exactly what it claims to be and deserves the praise that are showered upon it by al. who have used it. Mr. Israel H. Snyder, of Saureries, N. Y. T. Saureries, N. Y. Saureries, N. Y. T. Saureries, N. Y. Saurerie says: "My little daughter was covered with Sait Rheum from head to foot; Dr. Kennedy's 'Fav orite Remedy' cured her. This was two years

We are not in the Habit of Puffing we happen to know Dr. David Kennedy, of Ro we happen to know Dr. David Kennedy, of Ron-dout, N. Y., and can personally testafy to the ex-cellence of the medicine whith the Doctor calls "Favorite Remedy." And if a word of pura will persuade anybody to use it and thus find relief from suffering no professional adjustes shall hit-der us from saying that word. For diseases of the blood, kidneys and bowels it has no equal. We would not be without it for five times the doi-lar that it costs.—Daily Times, Troy, N. F. COAL! COAL!

AFTER DINNER.

Persons who suffer from Indigestion on arrest the progress of that painful maisty by the use of an after-dinner pill, so composed that it will give tone to the stomach, prevent heartburn, rouse the liver to healthful action, invigorate the kidneys, and thus, through the activity of these organs, promote the natural movement of the stomach and bowels. AYER'S PILLS are so compounded that their action, though mild, effectually produces the above results. They also, in curing Constipation, rouseve the cause of Biliousness, Liver Complaint, Kidney Disease, Rheumatism, and many other serious ailments.

AYER'S PILLS

contain no mineral nor poisonous substance, and do not gripe unless the bowels are irritated, and even then their influence is healing. To continue their effect in constipated or chronic cases, they need only be taken in diminishing instead of increasing doses. For seamen, and inhabitants or travelers in sparsely settled countries where physicians are not at hand, they are of inestimable value. There is hardly a sickness they will not alleviate, and in most cases cure, if taken promptly. To young girls just entering upon womanhood, and to women whose period of maternity is drawing to a closs, Ayer's Pills, in moderate doses, merely sufficient to ensure regular action of the bowels, will be found of

Incalculable Value. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Rest. fiold by all Druggists.
