> > A Very Quiet Wedding.

Judd Pelton, of Cleveland, and Miss Amanda Welch, of Homstead, Allegheny county, were quietly married yesterday at the home of the bride's parents. When we say they were quietly married we mean it, for both of the contracting parties are deaf mutes. Rev. John Brown, D. D., principal of the Edgewood Institute for Deaf Mutes, performed the ceremony, assisted by Prof. Flenniken, of the same Institute, as interpreter. Dr. Brown read the marrage service to Prof. Flenniken, who repeated it in the deaf mute language to the bride and groom and they responded to the clergyman through the interpreter. Around them was gathered the family, the father, mother, and five bright eyed brothers and sisters, all with emotions of pleasure and sadness mingled on their faces and yet all expressed in golden slience, for they are all deaf and dumb. The bride in the above mentioned ceremony is a daughter of Mrs. Mary Welch, preparation for the welding, which was to formerly Miss Mary Edwards, well known to the older residents of this place, where

Breton Riviere's charming picture "Sympathy" has been engraved as a premium for GODEY'S LADY'S BOOK for 1886, and is one of the most desirable inducements ever offered by that of any other magazine. The plate is an unusually fine one, very faithfully produced, and of a size that makes it acceptable either for the portfolio or for framing. "Sympathy" represents a fairhaired intle girl sitting on a stairway, in deep distress, her little chin resting de-jectedly on her hands, with a comical old dog presses close to her side, poking his nose over her shoulder, and saying as dis-tinctly as any dog could say, "I'm awfully sorry for you." ATER'S SARBAPARILLA has demonstrated its power of cure for all diseases of the blood. The Harpooner's Story.

New Bedford, June I, 1883.

DB. J. C. ATER & Co.—Twenty years ago I was a harpooner in the North Pacific, when five others of the crew and myself were laid up with scurvy. Our bodies were bloated, gums swollen and biseding, teeth loose, purple blotches all over us, and our breath seemed rotten. Take it by and large we were pretty badly off. All our lime-juice was accidentally destroyed, but the captain had a couple dozen bottles of ATER'S SARSAFARILLA and gave us that. We recovered on it quicker than I have ever seen men brought about by any other treatment for Scurvy, and I've seen a good deal of it. Seeing no mention in your Almanacof your Sarsaparilla being good for scurvy, I thought year ought to know of this, and so send you the facts.

Bespectfully yours, Ralpu Y. Wingats. The Harpooner's Story.

The Trooper's Experience. Marren, Basutoland (S. Africa,) March 7, 1855 Dr. J. C. Ayru & Co.—Gentlemen: I have much pleasure to testify to the great value of your Barsaparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "veldt-sores." I had those sores for some time. I was advised to take your barsaparilla, two bottles of which made my sores disappear rapidly, and I am now quite well. Yours truly, T. K. Bodes,

Yours truly, T. K. Boden, Trooper, Cape Mounted Riffemen. Ayer's Sarsaparilla Is the only thoroughly effective blood-purifier, the only medicine that eradicates the poisons of Serofula, Mercury, and Contagious Disease from the system.
