An Explanation of His Mysterious Interesting Items From Near Our Northeastern County Line.

GLASGOW, Feb. 10, '86. DEWR EREEMAN : After a lapse of time The present condition of the weather is abrupt changes our mountainous regions But a few days ago an intensely gloomy winter scene, with a falling thermometer away up in the "teens," was what our

weather schedule indicated But now an auspicious sky, beautiful sunshine and fast melting snow have succeeded, and betoken to the inhabitants of the ng, dim vista of the lature. Mr. James Russell, who resided at New Germany, a village in this township, died Bonilco

on last Sunday morning, and his remains were interred at the Cambria Mills Cometery, near here, on last Tuesday. Mr. Russell had been in delicate health for a num ber of years, and find been a victim to many diseases. His final sickness was butof few weeks' duration. For many years he was an retto, to the penitentiary to look up engineer on the Philadelphia and Erie rail-the matter, and he found Mr. Cooper road, and later until his health failed bin he worked in the capacity of sawyer on the in the institution, suffering greatly from steam mills of his neighborhood. Some mental abberation, though conversing in years ago his eyesight became so much impaired that he was rendered almost sloht. ss, and the most skilful oculists who treated him never succeeded in restoring his perfect vision. He was well and favorably Springs he wandered into another county, known in this and other counties, and was and was discovered one day driving cattle noted for his many sterling qualities of both head and heart. Mr. Russell ran the first engine over the Pennsylvania railroad. of the old camel backs), on the east- James, ern division to Attoona.

Mr. Russell was 69 years old, and leeves a widow and six chileren, all of whem are grown up and three married. Mr. Frank Bussell, youngest son of the deceased, who was absent from bome at Bear Loop station, where he was working, was taken down very suddenly with pneu-monia, and was so ill that he was prevented

from looking for the last time upon the remains of his beloved father. The district institute at the Cambria Mills schoolhouse on last Saturday was largely this and Clearfield counties were present. The exercises were of an interesting and practical nature, and all were unanimous in the expression that it was a fair exhibition of literary culture and talent.

The teachers' profession requires tive, house at Huntingdon were used to contain half by five and one-half inches in size, and | true of all professions; yet every calling has its drones, and they are a great drawback to are zealously inclined and are

A certain pedagogue, I have been reliably rmed, who wields the birch in this township, and "teaches the young idea how to waken up unities late hour in the afternoon to public sale at the Court House in Ebensburg, to take up school. His pupils saw the "master" map and did not distant the

daining the rebel student. But Father never thinks of going to the railroad office Browne has lived to see this prejudice pass for the tickets he wants. He patronizes the away and bishops, priests and people filled scalper, and helps that one to skin the rail-with the same patriotic sentiment. He was road. So it goes, the railroads by an extenchaplain during our late war, and is famil- sion of courtesy have been victimized and lar with military tacties. It is said of him robbed by the traveling public. The everythat in the event of war in either Ireland or day traveler at all times has his eyes open to thousand men in his own parish who would ly has the influence spread that even staid, follow him to the field. He is now in the honest-going people, who travel only occato effect a saving for themselves of a few dollars. We are glad that the railroads have decided at last to protect themselves from the dishonesty of people who ciatm to
