ATEN'S SARSAPARITIA has demonstrated its power of cure for all diseases of the blood. The Harpooner's Story. The Harpooner's Story.

New Bestford, June 1, 1883.

DR. J. C. Ayran & Co.—Twenty years ago I was a harpooner in the North Facilic, when five others of the crew and myself were laid up with scurry. Our bodies were bloated, gums swellen and bleeding, teeth loose, purple blotches all over us, and our breath seemed rotten. Take it by and large we were preity badly off. All our lime-juice was accidentally destroyed, but the capitain had a couple dozen bottles of Ayran's Barbarahilla and gave us that. We recovered on it quicker than I have ever seen men brought about by any other treatment for Scurry, and I've seen a good deal of it. Seeing no mention in your Almanac of your Barbarahilla being good for accurry, I thought you ought to know of this, and so send you the facts.

Respectfully yours, Ralph T. Wingate.

The Trooper's Experience. The Trooper's Experience.

Dr. J. C. Ayer & Co... Gentlemen: I have much pleasure to testify to the great value of your Sarsaparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "reldit-sores." I had those sores for some time. I was advised to take your Sarsaparilla, two bottles of which made my sores disappear rapidly, and I am now quite well. disappear rapidity, and I am now quite well.
