This is much the best edition published of this magnificent work, which is known as the best popular history of France. The cost of the imported edition, with substantially the same illuthis is certainly the best in form, and the most desirable for the library. "THE MATCHLESS BRILLIANCY

\$36 Guizot's style, his graphic descriptions of men and events, his paints beginning the indicated philosophic reflections, all combine to render it worthy of the description it bears as the most popular history of France. It is as fascinating as a novel, and as life-like as a theatrical representation of the events and personages is describes. How the set can be sold for that more record
