Mr. Harvey Thomas, the grocer on Warren street, just below the Worth House, says that it has had wonderfully good effects upon him. Scores of my acquainvances say that having once tried it they would never again be without it. I have given it to my children, and found it to be the best medicine I have ever known for regulating their howels and purifying their blood. The knowledge of this medicine I deem the greatest lesson of physical life."

## How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy. NEVER BEEN DISAPPOINTED.

As ageneral family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels, W. J. McElney, Macon, Gs.

The Trooper's Experience. n. J. C. ATER & Co .- Gentlemen : Im. J. C. ATER & Co.—Gentlemen I have much pleasure to testify to the great value of your Sarasparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "voldt-sores." I had those sores for some time. I was advised to take your Sarasparilla, two bottless of which made my sores appear rapidly, and I am now quite well.
