Willmore Correspondence.

On Saturday last Ida Shelly the little two-year old adopted daughter of Mr. Joseph Krotendorfer and wife, living in Cambria township, strayed away a short distance from the house, taking with her a little dog and a cat as companions, as was customary in her out-door rambles. The supposition is that the child attempted to get out of the fence and while in the act fell backwards taking in her grip a heavy piece of timber which came down with full force on the little form. Her cries of agony brought the foster-parents immediately to her rescue but all efforts to resuscitate proved unavailing the vital spark had fled and the little household was dead. She was a little waif cast upon the shore of an unfeeling world and her little body was laid out in a coffin and buried and provided her with a comfortable home. Great praise is due their unselfish care and tenderness and for the love they lavished upon this little one and our sympathy goes forth to them in their great bereavement.

Obituary.

THOMAS.—Died at his residence in Elder township on Tuesday, September 7, 1885, Mr. John Thomas, aged 83 years. He was born in the town of Bedford in the county of Allegheny, Pa., and emigrated to this country with his wife and three children. Soon after coming to the country he bought a tract of land in the then wilderness of Northern Cambria, near where the village of St. Lawrence now stands, and where he by hard work and persevering industry cleared out a farm where he resided up to about ten or twelve years ago, when he sold his farm and purchased another in Elder township, where he continued to reside up to the time of his death. He was upright and honest in all his dealings, a kind father and a good neighbor and during his long residence in that neighborhood was respected by everyone. He was the father of ten children, of whom survive him as follows: Jacob Thomas, Michael Thomas and Mrs. George Kahler, who reside in Elder township; EX ASSOCIATE JUDGE JOHN D. THOMAS, of Johnstown; Philip Thomas, of Coalport; Clearfoot town, Valentine Thomas, of Carrolltown; Martin Thomas, of Clearfield township, and Mrs. Charles A. Latz, of Ebensburg. He was buried in Elder township, near the Catholic cemetery at St. Boniface beside those of his wife who preceded him to the grave one year ago last March. Peace to his ashes.

Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with indigestion, you are fidgety, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whiskey, and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only fifty cents a bottle at E. James' drug store.

Brace Up.

I have been a heavy sufferer for three years; have often heard Ely's Cream Balm spoken of in the highest terms; did not take much stock in it because of the many quick medicines. A friend persuaded me to try the Balm, and I have found it a very successful remedy. I am now well and strong. T. S. Gier, Syracuse, N. Y.

Brace Up.

I recommended Ely's Cream Balm to all my fever sufferers, it is, in my opinion, a sure cure. I was afflicted for 25 years, and never before found permanent relief.—W. H. Haskins, Marshfield, Vt.

Important to Farmers.

The Horse Shoe brand of fertilizers of Chicago, all bone, blood and meat, is constantly kept on hand and for sale at Ebensburg and Carrolltown. It will be at the order of J. A. & T. B. O'Hara, office, Ebensburg, every Saturday to fill orders. A. S. KENNEDY, or A. ECKHARDT, Carrolltown, Pa.

There were more criminal cases...

There were more criminal cases than at any previous term. You can't work too much purpose unless you are well, but you can build up your health and strength with Parker's Tonic, and work will then become easy. It sets the lungs, liver and kidneys in working order. Coughs and Colds vanish before it. Take it to time.

On Tuesday evening last Mrs. Susan Rhey, the oldest resident of this place, while walking in her house on Saturday, slipped and fell with her left hand, and broke her right leg near the thigh. Her advanced age (ninety-four) makes it impossible for the bones to knit and it is very probable that she will never be able to walk again.

Mr. C. E. Glenn on Friday last while operating his drilling machine on the site for the new grist mill near the station, slipped and fell with his left hand, and broke two cog-wheels of the machine. Two of his fingers were so badly mashed that amputation may have to be resorted to, but up to this time has not been done.

It was reported here last week that the captain of the Black Hawk, the day was flowing from the well quite freely. Mr. T. P. Pindie, however, assures us that the report is without foundation, a citizen residing in close proximity to the well had noticed nothing unusual and had not even felt the shock.

On Monday night an unusual number of "drunks" even for court week, kept up a noise on our streets nearly all night, and some fighting was done by the night-clubbers. On Tuesday the borough treasury was enriched about ten dollars in fines and costs paid by those who could raise the money, while those who could not raise the money bowed out their fines to the jail.

Weakness of the receipt of a complimentary ticket to a grand picnic, to be held under the auspices of the Cookport Cornet Band, at that place, on Saturday, September 12th, is not to be denied. It is not likely that we will be there, but we have no doubt those who attend will be more than pleased, as Elder Williams, of the Monitor will be respectively invited for the occasion.

A gentleman in attendance at Court this week informs us that the carriage which was recently sent to him by the Monitor, is not a very good one, but he is sure it will be better than the one he is now using.

That there would be a severe shock however, if he returned home to his wife without visiting John Queen's store on High street and buying in a supply of dry goods, dress goods, boots and shoes, groceries and provisions at very low prices.

Jacob Rubert and Jacob Kuriz, brothers-in-law and both of Johnstown, were thrown from a carriage on Sunday afternoon near the Johnstown Fair Grounds and both severely injured. Rubert's right leg was broken a short distance above the ankle and the bone protruded through the flesh. Kuriz, injuries are not serious. Rubert's leg may have to be amputated.

A sad accident occurred in Girard township Monday afternoon last and the facts are as follows: Two boys of Henry Matel were engaged in cutting wood when the older one drew back with an axe, and his five-year-old brother, coming up behind him was struck on the neck, almost severing his head. His death was almost instantaneous. Clearfield Republican.

Another Supposed Murder at Bedford.

The stables of R. Oppenheimer & Sons, Elwood Harmer and other property in the town of Bedford were destroyed by fire on last Friday morning, loss, \$5,000. Saturday morning the remains of a man were found in the ruins of one of the stables. The unfortunate man is generally supposed to have been a tramp, who was the night before in the lock-up along with a worthless negro named Bates. The tramp had nearly \$20 in bills and silver on his person when he was found, which was known to Bates. The two boys they were together all day, and that Sunday they were seen away from the Bedford Springs Hotel. Bates is known to have been the first at the fire, and he says himself that he sounded no alarm. This looked very much as though he was in some way responsible for the fire. The tramp seems to have been forgotten until Saturday, when the remains were found, then it flashed upon many minds that Bates had murdered the tramp and fired the stables. He was immediately looked up and held for trial. Fresh circumstantial evidence is coming in almost constantly that will likely convict him when it comes to trial.

The interest of John Burns in a lot of ground in Turnershire borough, to Jacob Lueck, for \$500. Mohrman in 100 acres of land in Carroll township was adjourned until Monday next.
