Yet we think it our duty to remind the people of Cambria county, from time to time through the columns of this paper that we are ever slive to their interests and we are determined to hold the top place in their confidence as long as our Establishment exists.

Our method of doing business is plain, simple and ever the same. We purchase at all times the best goods for the money that the man ufacturers can produce. Weguarantee every article sold in our Store to be exactly what it is represented to be by our salesmen. We have one and the same price to everybody. We cheerfully refund a liberal portion of the purchase money in case our goods prove unsaisfactory to the wearer and in every instance our prices are warranted to be lower than the same quality and make of goods can be purchased for elsewhere.

For the benefit of our customers, Mr. Sulka will continue his usual visits to Ebensburg and we would strongly advise them at all times to delay their purchases for his coming in case they find it inconvenient to visit Johnstown.

Remember that it is impossible to secure in any of the eastern cities better goods or later Styles than we can give you and remember what our guarantee states regarding prices and satisfaction.
