McLaughlin Speaks for Labor.

Capitol, Tuesday morning, was enlivened by a spirited discussion of Hothersall's borers in manufacturing and repair shops and to abolish the system of blacklisting. When the bill came up on first reading, and a plea for its immediate passage. A

"Mr. M'Laughlin, of Cambria, arose system of blacklisting had not been abolished 25 years ago-a system that makes slaves of American citizens, comers. A poor workingman, blacklisted for some petty offense, might wander north, south, east or west in search of employment, but everywhere he would famous conspiracy on the part of employers, and pictured the persecuted aborer in his wanderings, the despair of his situation, and his final return to his go down on his knees, renounce his mangood forever, promise to do anything employment. During the delivery of this address, the old gentleman several times brought his shriveled hand down upon his desk to emphasize his remarks,

"The bill was amended to include mining. Then the provision for closing works at a stated hour was amended to permit over time with extra compensation, and then to fix the rate of such compensation. Finally Mr. Hothersall, the author of the bill, asked to have it recommitted, which was agreed to, after

which the House adjourned. "This was the first passage at arms on tion pledged by the party platform, labor will take precedence."

THE members of the committee appointed by the Republican Legislative caucus at Harrisburg to prepare a prohibitory amendment to be submitted to the Legislature for action at the present session, must have heard from their temperance constituents. The draft of Britain and the Dominion of Canada but the proposed amendment agreed upon simply the maintenance of our rights as totally ignores the subject of compensation, and presents the question of absolute prohibition in its naked form. The shoulders of our grave Senators as they | have notified their Representatives that compensation buzz saw if they are to be
