The Penal Colony Project.

The proposition to dispose of the prison labor question by making Alaska a penal colony is being urged with some vigor. The New York Herald has argued in its favor, backing the proposal with the remarkable statement that the transporting system of England was found to be very useful and beneficial in its workings. The belief that the opfoundation in the fact that it has been

entirely abandoned. proposition here arouses two Alaska is a proper country for the involuntary settlement of thousands of people, the plan would be as injurious country offers attractions to settlers, our agricultural population will want it; and to shut out that large and important consent of the prefect and under whatclass by filling it with convicts would ever conditions be pleases. be bad justice and worse policy. On the other hand, if Alaska has no attracmere inhumanity to send a lot of convicts to suffer there

The other objection to the transportation plan is that it is wholly unneces-The wrong of the present system, that of crowding independent workmen out of employment by cheap prison labor, can be obvisted in several ways. tions but always refused, says in this One is that suggested by a labor leader not long since to limit the number of convicts that can be employed in any one industry. Twenty five or fifty prisoners in a single industry cannot depress the rate of wages much, and the diversification of prison labor which this would secure would make the instruction to be obtained in the prisons much more useful to the prisoners than the present system. Another plan would be to pay prisoners full wages and and let their surplus earnings go to the support of their families. The pieceprice system offers another method, if

> labor from depressing the rate of wages, With these plans for making prison labor useful to the convict and innocuous to labor at large, it hardly seems possible that this country will take the step backward implied in adopting the old and semi-civilzed plan of taking mission. them loose to get rid of them .- Pittsburg Dispatch.

of William Tiley, deceased:

Having been appointed by said Court to make
distribution of the fund in the hands of the accountant, notice is nearby given that I will sit at
my office in the borough of Ebensburg on Monday,
the Is day of April, 1887, at 16 o'clock, a. m., to
discharge the duties of said appointment when
and where all persons interested may attend or
be forever debarred from coming in on said fund.

100N LDE, DUFFON,
Ebensburg, Pa., Meb. 25.

Additor.

C. COLOND ED DA BERTHAD
