> Yet the survivors of these organizations inlend to come together in fraternal union, on the ensuing anniversary of the fight, and on the spot where ! occurred, and the Philadelphi as propose to signalize the eventful meeting by returning to their Confederate friends three fligs captured from them on that day. The following letter bearing upon the subject has been sent to President | eveland and referred by him to the War Department :

PHILADELPHIA, June 18,1887. - Mr. President : Colonel E. D. Baker's California Regiment-the Seventy-first of the Pennsylvan in -is credited upon the War Department records with having captured three Confederate flags at Gettysburg from Pickett's Virginia, captured by John Clopp, of Company F: one from the seventeenth Virginia. captured by George C. Moore, Company I, and one from the fitty-third Virginia, cap-tured by Isaac Tibbons, of Company C. Seventy-first Pennsylvania Volunteers.

The Polladelphia Brigade, composed of the 69th, 71st, 72d and 106th P. V., has invited Pickett's Division to become their guests at Gettsyburg July 2, 3 and 4, and upon that occasion of fraternal reunion - the first that has taken place between the "Blue and the Gray" since the war ended-I beleve I voice the sentiment of every member of Baker's historical regiment when I state the climax of that reunion would be com-plete by the survivors of Coionel Baker's old iment returning in person to the brave men of Pickett's Division, upon this occa-sion of national interest, the three flags captured by them—the return to be made upon the spot where they were captured, and to be made at the time when the monument of the 71st is unveiled, July 3 next.

Upon the presumption-after conferring with leading members of the Regimental Association—that official action in the matter will be taken at our next Regimental Association meeting-June 25 -1 write simply to juire what disposition has been made of three flags, and to ask whether it is possible for you to return them to the Regi mental Association of the Seventy-first ennsylvania Volunteers.

The earliest reply possible will greatly blige yours, very truly.

John W. Frazier. It isn't the real soldiers of the North et of the South that seek to keep alive the antagonisms of the war. That work is left for the professional patriots and hungry partisans.

tiov. Beaver's Six Month's Record.

GOVERNOR BEAVER and the Republican legislature, accepting tha statement of Auditor General Nonnis, also the ruling party, have made an interesting mess of Governmental affairs at State Capitol, since the keen supervision, courage and capacity of Govern-Auditor General estimates the loss of revenues by legislation, judicial decisthis fiscal year ending November 30.

The Auditor General also estimates the increased expenditures for the same period at \$785,000. Or taking them both, a loss in revenue and increase in expenditures in one year aggregating

To this may be added an annual loss and \$1,000,000 which was to have been divided among the counties, by the strangling of the revenue bill. Either considered as a blunder or a bit of lob by official rascality, this has been a costly performance. But this is to be said the State will continue to collect from

-A loving mother two miles out from Rosscommon, Mich., found a blacksnake five and a half feet long and as big as a man's wrist enjoying a nap in bed with her three little children on last Tuesday morning. Whether he had been there all night is not known, but it is known that he didn't stay long after being discovered. The mother was half crazed with fright, but the childrep surveyed their unusual bedfellow with sleepy surprise and with no signs of fear. The snake was killed.

-Mr. William E Gladstone has written a letter to a gentleman in Washington in response to an invitation to visit this country. Mr. Gladstone says: "My age, as well as my engagements, preclude my visiting America; but I never loose an opportunity (and I found an excellent one at Cardiff on Friday) of saying what seems to me likely to strengthen the union of our country and of giving weight to the judgment of America on the great (for it is a great) Irish question.

-The inhabitants of the town of Marshburg Landing and one died in Anderson- field, whose homes were destroyed by fire on Monday last, spent a sleepless Tuesday night. The scenes were pit able in the extreme. Men and women sat hudthat two men named Dennis and Clark, died together watching the fire ourn itself living near that place, quarrelled over the out, while others slept in wagons and improresult of a lawsuit, and Dennis cut Clark's vised tents made of blankets, etc. So fast Dennis and received a dangerous wound, hardly any of their effects. There is a lack and when the father of Clark rushed into of provisions and the people have to suffer

-Rev. John T. Maxwell, a Methodist preacher, shot and killed John Ricksts at ing, N. Y., on last Saturday night, by the | Irondale, six miles from Birmingham, Ala, About ten days ago Rickets went to the married man, in the basin of the village house of Maxwe'll during the latter's abfountain by four men who are supposed to sence and attempted to assault his wife-Maxwell has since been searching for him, and meeting him for the first time on Wednesday shot him twice with a shot-gun and once with a pistol. Rickets was a mineral prospector and geologist, and leaves a wife and several small children. Maxwell surrendered himself to the authorities.

-A stage coach which makes the daily trips from Ballain, St. Louis county, Missouri, to Barrett's Station, on the Missouri Pacific road, was robbed on Sunday afternoop by several masked men. The coach was returning from Barrett's with fifteen passengers, when the robbers, with drawn revolvers and faces masked, stopped the venicle in the midst of a thick underbrush. and robbed the passengers of about \$250. It is estimated that the passengers carried \$2,500 in cash and valuables, and there is no explanation of the smaliness of the haul

-Peter Finnerty, who died last week at Waukesha, Wis., left \$500, 000 to his beirs. Fourteen years ago he was working a poor DRAFTS on the Principal Cities farm in Iowa and afterwards became a deck-band on a boat running between Keo- General Banking Business Transacted kuk and St. Louis. Finally he went West, became a miner, discovered the "Little shrewd management made a large fortune.

-A stage was attacked a few days ago between Saraci and Santa Ana, Mexico, by six masked men. In the stage were Adol--Among the visitors at the Vassar Col- fo Garay, a servant and two ladies, Senohas made \$10,000 in a unique manner. Garey resisted and was mortally wounded. Upon her graduation she was promised by The servant had his arm broken. The two women were tied to the wheels of the carpursued and two of them captured and

-A New York lady coaxed an organ ing and nestled in her arms, where she especially in Dakota, and the aggregate yield in the Northwest promises to be the able; there is a largely increased average, petted and caressed him to an extent that very good. There will short crops of time- stood stock still for an instant, and watched the Commissioners Office. The Commissioners reserve the right to reject thy and flaxseed, and the barley crop also her mouth as she talked to him, and then, any or all bids quick as lightning, one paw struck out and snatched a set of false teeth from her mouth this country for bedding purposes amounts With a leap and a bound he was on the to 2,000,000 pounds or 275 carloads. To sidewalk again, trying to put the teeth into furnish this 3,000,000 healthy gease must his own mouth. The lady retreated under

climate is cold enough to cause the feathers to give the condemned Anarchists a new fine and soft, and not too cold to make their | trial. The report was to the effect that a to witness the ceremony. To add to care a matter of unprofitable laber to the unajority of judges had decided in favor of the points submitted by counsel for the -Mrs. Annie Raush, of Letart, Va. whose Anarchists why the sentence of death 100th birthday has just been celebrated, is should not be executed. The report could said to be the mother of the largest family not be verified but it was common talk ain America. She was married when she mong the officials and lawyers in the county was 15, and bore thirteen shildren, eight of building. It was believed that the Supreme Sick-Headache, whom are living. Her oldest child was born Court Judges had dictated their opinion. when she was 16, and her oldest living and that the declaration that this opinion JOHN BULL is becoming as irritable child is 78. Her oldest grandchild is 68 was favorable to the Anarchists had leaked as the average bovine on the subject of years old. She has fifty-two great-great out through court officials who had access
