Cambria freeman.

ESENSBURG. PA. FRIDAY, - - AUGUST 5, 1887.

DEMOCRATIC COUNTY TICKET.

FOR TREASURER : THOMAS E. HOWE, Cambria. FOR COMMISSIONERS : JOHN KIRBY, Johnstown, JOHN CAMPBELL, Conemaugh. FOR POOR HOUSE DIRECTOR.

GEORGE W. EASLY, Johnstown. EOR AUDITORS. J. W. GRIFFIN, Munster Twp.

LOUIS ROLAND, Johnstown, Democratic State Convention.

PHILADRLPHIA July 23, 1887. The Democratic State Convention to nominate a candidate for Judge of the Soureme Court, a candidate for State Treasurer, and the transaction of such other business as may be brought before it, will meet at Allentown on Wednesday. August 31, at 12 o'clock noon.

The representation in the convention will consist of representative delegates. for each 1,000 Democratic votes cast is the most prominent leader of the Profor Governor at the last Gubernatorial election, or for a fraction of 1,000 such votes amounting to 500 or more in the respective representative districts, provided that each representative district, shall have at least one delegate.

DALLAS SANDERS, Chairman, WILLIAM E. DANNEHOWER, Sect'y.

Ir now seems very certain that about one-half the counties in the State will refuse to return watches, carriages and tousehold funiture, for taxation, and that it will require a judicial opinion to settle the issue between the Attorney General and the Board of Revenue Commissioners.

The report of the State Commissioners of fisheries for the years 1885-86 has fust been issued. The Commissioners have built a hatchery at Erie, in which 14,625,000 white fish were hatched last year, being about 92 per cent. of the of money. It is our opinion that the 16,000,000 of eggs obtained from the amendment has been defeated. United States fish Commission. These young fish were placed in Lake Erie during the latter part of March, 1886. The report says hundreds of thousands mountain trout, and salmon trout have case is a most singular one and has been legal representative of such person as been transpianted to our mountain the subject of much discussion by pen- was the owner of them at the time they agricultural population.
