DEAR SIR: The teachers of Read township turned out en masse on last Saturday afternoon and met in the Glasgow school house for the purpose of organizing a school institute.

The meeting was honored by the presence of Directors G. W. Bowman and Geo. Barr; the former gentleman acted as president. After the preliminary routine of business incident to effecting a permanent organization had been completed, the Chairman appointed a committee, consisting of three teachers, who made out the following program for the first institute, to be held at the same place on Saturday, Nov. 6th, beginning at 9 o'clock, a. m.:
