He has been a persevering train robber, a sneak thief, a housebreaker, a kidnapper and various other things equally bad.

-The great deer range of the country is in Northern Wisconsin, Minnesota and Dakota. The Indians slaughter great numbers of them, but the deer still continue numerous. A St. Paul paper says: "You might as well talk about exterminating the ducks, cranes, gulls, pelicans, and all kinds of water fowl, which breed up in the Peace River country, 1,500 miles northwest of Winnipig. There are about 20,000 saddles of venison handled here a year. Sometimes this amount is exceeded, as in 1878, when the prairie fires got into the timber and drove the deer into the settlements. One firm here dresses 500 or 600 deerskins a year. The deer fur is of no commercial value, but the skin is made into mocassins and into the buckskin of the store."

-In the southwestern portion of Allegan They have but little faith in other sects, and consider the salaried minister an emissary of the devil. Their ministers receive no salary, and no contributions are taken at their meetings for any purpose. His supthe makeup of the man, that he com- out again with another dog which started a port is dependent on his own labor and the tion is literally free. They refuse to send their children to the public schools, regarding them as "inventions of the devil." Their meeting house is of a peculiar, primitive sort, equipped with wooden benches On entering the sanctuary the men greet each other with what is termed a "holy kiss" and the salutation "Praise the Lord. The women kiss and salute each other in the same manner. The meeting is opened by singing. When the chorus is reached every member holds up his right hand and CHASE BRUTHERS COMPANY. beats time. Then an elder preaches a sermon, every sentence of which ends with "Praise the Lord."
