# OUR GREAT

At no time in the year have we offered Goods so cheap as the present time. We have just completed Stock Taking and discovered innumerable quantities of odd Suits, odd Overcoats and odd Pants, which we have placed on one separate corner of our Store and marked at figures far below their regular selling value. Everybody knows when we say a thing we mean it and we can confidently predict that in one month from the issue of this advertisement not a single garment of all our odd Stock shall remain on our hands, so don't delay your visit to our Mamouth Establishment. It will pay you to buy Goods now for next Winter's use.

# WOOLF, SON & THOMAS. JOHNSTOWN, PA.

# \$1200 A YEAR WITHOUT WORK!

This is what lots of folks want. We can't give it to them. But we can and will guarantee a profit of \$25.00 a week to one or two energetic agents in each county in this State who will industriously push the sale of our splendid new line of books, according to our instructions. This is no extravagant promise. We are doing it every day. We don't want many agents; but we want agents who have ability, who are industrious, and who are in earnest. Experiences not always necessary; some of our best agents are raw recruits, whose we have taught to make money during the past two months. We guarantee exclusive territory, give liberal terms and agree to show any intelligent and enterprising agent how to make at least \$1200 a year—certain sure. Among our many valuable publications we have space to mention only a few of the latest and best:

THE DIVERSIONS OF A DIPLOMAT IN TURKEY, by "Sanset" Cox.

HARD TACK AND COFFEE, the great new soldiers' book. Twenty-five thousand sold in first thirty days. The 210 splendid original illustrations are a story in themselves.

HOME AND FARM CYCLOPEDIA, the greatest farm book ever made. Positively without an equal. Sold by our new special plan, and to one good man in each county we guarantee an income of \$2,900 a year on this book alone. This is straight business. It is not an experiment, but is an established fact. We want the name and address of every book agent who is making less than \$25.00 a week. We can't employ all who apply, but those who are worthy shall have our aid. Do not he state a moment, but write at once for full particulars (free), to P. J. FLEMING & CO., Publishers, No. 4 Fifth Avenue, Pittsburgh, Pa
