Everybody knows when we say a thing we mean it and we can confidently predict that in one month from the issue of this advertisement not a single garment of all our odd Stock shall remain on our hands, so don't delay your visit to our Mamouth Establishment. \$1200 A YEAR WITHOUT WORK! This is what lots of folks want. We can't give it to them. But we can and will guarantee a profit of \$25.00 a week to one or two emergetic agents in each county in this state who will handle the push the sale of our splendid new line of boxes, according to our instructions. This is no extravagant promise. We are doing it every day. We don't want many agents; but we want agents who have ability, who are industrious, and who are in earnest. Experience is not always necessary; some of our best agents are raw recruits, whom we have taught to make money during the past two months. We guarantee exclusive territory, give liberal terms and agree to show any intelligent and enterprising agent how to make at least \$120 a year -errian sure. Among our many valuable publications we have space to mention only a few of the latest and best:

THE DIVERSIONS OF A DIPLOMAT IN TURKEY, by "Sanset" Cox. HARD TACK AND COFFEE, the great new soldiers' book. Twenty-five thousand sold in at thirty days. The 210 splendid original illustrations are a story in themselves. HOME AND FARM CYCLOPEDIA, the greatest farm book ever made. Positively without an equal. Sold by our new special plan, and to one good man in each county we generantee an income of \$2,000 a year on this book alone. This is straight business. It is not an experiment, but is an established fact.

We want the name and address of every book agent who is making less than \$25,00 a week. We can't employ all who apply, but those who are worthy shall have our aid. Do not hesitate a moment, but write at once for full particulars (free), to
