\$1200 A YEAR WITHOUT WORK! This is what lots of folks want. We can't give it to them. But we can and will guarantee a profit of \$:5.00 a week to one or two energotic agents in each county in this State who will industriously push the sale of our splendid new line of books, according to our instructions. This is no extravagant promise. We are doing it every day. We don't want many agents; but we want agents who have ability, who are industrious, and who are in earnest. Experience is not always necessary; some of our best agents are raw recruits, whom we have taught to make money during the past two months. We guarantee exclusive tarritory, give therat terms and agree to show any intelligent and enterprising agent how to make at least \$1200 a year—certain sure. Among our many valuable publications we have space to mention only a few of the latest and best:
