"Untold Agony from Catarrh." Prof. W. HAUSER, the famous mesmerist, of lthaca, N. Y., writes: "Some fen years ago I suffered untold agony from chronic massicatarth. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarth Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting." Thomas J. Rushing, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckly, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBBINS, Rungen P. O., Columbia Co., Po., says: "My daughter had entarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and pro-cured a bottle for her, and soon saw that it etped her; a third bottle effected a perma ent cure. She is now eighborn years old and sound and bearty."
