Quay's Plans Exposed.

Chairman Quay has at last brushed all pretences aside, removed the mask and exposed his plan of campaign. It is to be one of bribery and corruption. With the assistance of William R. Leeds and Charles E. Voorhees he has been colonizing negroes and others in New York city and points throughout the State. At least 160 heelers, the men who usually serve on Pinkerton's The Republican managers have force when bloody work is expected,

Nothing better was expected of Quay and his immediate assistants in this nefarious work. A man who violated his oath and tampered with the funds of the State as a Commissioner of the Sinking Fund is not likely to draw fine lines in politics. A man who as Secrecertainly in favor of the Mills bill and table business men of this city is a mat-

But is too late to moralize on such run at a profit. With free wool and 40 and that is to detect, prosecute and punconsumers ought to grant us. More force of the outraged law be brought against them. Do not stop with the punishment of Leeds and Voorbees. against the government, that of debauching the bellot.

That Quay's plans are as here stated is well established. This is not a hastily-made or ill-advised charge, for the names of all the emissaries spoken of are known to the detectives of the National Democratic Committee. Another question worth the earnest consideration of certain gentlemen of high standing in this city of Brotherly Love is whethyears she withstood its severest tests, but her ted of moral blame in giving money inif he fails to go to the polls your argument is lost. Every stay-at-home Democrat that you take to the polls is a Democratic gain of one and there has a Democratic gain of the solid men and without character and without character and without one and there are not the policy of the banks of this creature Quay, a min made a function of the cause to liquor, although the conscience, when they cause to liquor,
