OF ALTOONA, Pa.,

READY-MADE CLOTHIER

NEXT TO POSTOFFICE. Not a single last Fall Overcoat was carried over to rust on the shelves, fade on the counters or to be injured by hand-

ling. All such goods were sold to and bought by Stern, of the Golden Eagle. My present stock of Overcoats is direct from the manu. facturers, who obtained the fabrics from which they are composed direct from those who made them. Consequently no tax exists imposed by clothing speculators, jobbers, brokers, middle-men and the like. In buying a coat you pay buta small price for the cloth, a small price for making it up, anda much smaller price to me for bringing it here and offering it to you for sale. Thus I am enabled to sell Overcoats-you may not believe it until you call around and see-cheaper - than any other house in Altoona, or in Blair county, or in -

this State, or, as for that, in the United States of America. Big words, it's true, but call and see. All of the aggregated New and Popular Fabrics enter into the composition of the garments made up in the Latest Styles of Fashionable Taste for the present season, which, being strictly the case, no one who calls will fail to be astonished at the Marvellously Low Prices at which such Radically Superior Goods are sold.
