EBENSBURG. PA .. FRIDAY, - - DEC. 21, 1888.

A JOINT resolution has been presented by Senator Butler, proposing a Constitutional amendment extending the Presidential term to six years.

JOHN WANAMAKER was the largest contributor to the Republican compaign corruption fund, and is Chairman Quay's choice for a position in the Cabinet.

THE Doctor who accompanied Robert Garret around the world, has banded in his bill for \$30 000 professional services. There is nothing small about that.

THE Louisville Courier Journal asks "if the official this yes of Pennsylvania, pardoned by Mr. Quay.fjoined the Bible class of Brother Wanamaker and became truly good men."

CHAIRMAN KISNER, of the Democratic State Committee, will remove his headquarters to Harrisburg trom Philadelphia. Mr. Kisner has not given up the tariff fight, and he will immediately begin the work of distributing literature relative to that subject.

-The number of artificial teeth made in America last year by three of the largest business houses engaged in the trade was nearly 20,000,000, and this was not more than half the actual product of the country. One peculiar feature of the business is that the houses which do the most extensive export trade are obliged to prepare teeth of pifferent colors for different countries. In Canada, for Instance, the demand is for molars as white as snow, while in South America no such teeth could ge sold. There they require teeth that are almost yellow, and the trade from China, which is a lacra-
