The Senate Tarlif Bill in the House,

Having accomplished the political

purpose of its author, the S-nate Tariff bill has gone to the House and reposes in the Committee on Ways and Means. Further than to present in a concrete and authoritative form what the R publican leaders and politicians mean by "tariff revision" the bill has no object. In its proposed increase of existing high States cruiser Vesuvius is \$900. rates of duty on wool and wholens, tinplate, and many other articles of necessity the bill is a shameful concession to the extremest demands of monopoly, In such a shape the passage of the bill could not have been expected by its promoters ; and it is exceedingly doubtful whether any such measure could command a majority in the next House. The bill is the defiance which arrogant Monopoly and its servile attorneys in the Senate huri against the programme of Tariff Reform. From this point of leave Pensacola, Fin., each month for the view its appearance is welcome. In revealing to the country in the fullest light the aims and tendencies of monopoly the bill has materially aided the future work of the friends of Tariff Reform. It shows to the American people that the first essential step in this work is to drive monopoly out of its intrenchments in the United States circus becoming enraged at an attendant,

In the House a feint was made on committee of conference without reference to the Committee on Wars and M-ans. This was in violation of the clares that all measures of revenue shell originate in the House. But the professed object of the movers might be attained in an other way. Let the Committee on Ways and Means report the Senate bill, with its provisions reducing the internal taxes on tobacco, and with its reductions of duty, except in the sugar schedule. The reduction of daty be too great-as witness the S-nate scheme to compensate producers with a bonnty out of the public Treasury. But the Substantial reduction of the sugar duties proposed in the Mols bill would afford a fair ground of agree-

By reporting the Sanate bill stripped of its monopolistic features and containing such reductions of duty and ad-Republican leaders in Congress sinceredesire to abate the Treasury surp us and avert an extra session. These tariff reductions in the S-nate bill are extremely small, but considerable as they are, they would afford some relief to manuof jute, jute butts, malina and other profits of \$250,000. grasses for textile fabrics to the free list. But reductions of internal taxes upon tobacco and in the tariff schedules in which the two bills substantially agree would amount to upward of \$20.

reason why the two Houses should not bis bride-elect on Sunday. come to an agreement on these reductions. Each House has given its sepaonly that they should be embraced in a bill and passed, not as a compromise, but as a measure concerning which there is no disagreement between parties. Neither the House nor the Senate can afford to repudate its own work, so far as an agre-ment has been reached. - Phila Record

To Minimize Ballot-Box Pollution.

During this winter the Legislatures of New York, Indiana, Connecticut the consideration of radical measures for purging the elections of bribery and Comper of the M-dia American, with corruption. These measures have been in operation for some years in Australia ing it on the State, and in absolutely diplomatic and consular appropriation in health before his term of office begins, it strengthened by ever growing disap- and surveillance while casting his ballot, pointments will force a Blaine organ | Under this system the ballots printed at iz tion against Quay with the Guber- public expense are placed in the keeping natorial nomination of next year as the of inspectors and distributed by them to rest. objective point. Quay's in imate con- the qualified voters on the day of else-

one person is allowed in a compartment at a time. The voter receives from the official inspectors only the ballot which he wishes to deposit, and he is not allowed to tell any one in the polling place for whom he intends to vote. If he spoil a ballot in preparing it he can get a new one, but all ballots not voted must be returned to the inspectors on the spot. No person may show his ballot after preparing it, not place upon it any mark by which it may be identified as the one voted by him.

There are other provisions for securing the secrecy of the ballot and the purity of elections; but no reform of value unless all campaign committees and individuals intrusted with the collection of political funds should be required to submit their accounts to offi cial inspection and audit. In no other way can the corrnpt use of money in elections be effectually checked. The laws should define strictly the necessary expenditures, as well as the receipts, should be duly audited and open for public inspection.

So long, of course, as voters can be chievous boy pulled the belirope, and by purchased some means will be found for evading the most p riect syst m of election laws; but the duty of lawmakers is to reduce to the minimum opportunities and temptations to corrupt the ballot

Cider as an Intoxicant. The Supreme Court of this State left the weighty cider question to the local juice is "vinous or spirituous." is the sole question; not whether cider her, and calling out for her to loose her is intoxicating. The Lancaster county foot from the stirrup, in an instant, while court tried several cases last week in- both horses were running at breakneck rolving the question. The parties were speed, he caught her about the waist and indicted for selling cider as an intoxicating Lquor, and it was made clear that persons did get intoxicated by its too free use; but the court and the jury held the indicted ones were not guilty. not grow on a vine; and the jury found that it was not spirituous, not withstanding it was "hard" and the witnesses said that they felt it in their heads. No expert tes'imony was presented to show the quantity of alcohal in eider. "Cider drunkards" are a marked feature in the results as the excessive use of the generally recognized intoxicants.

As a soothing and strengthening Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully comparaded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegatable in its composition and perfectly hazaless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising weak stomach, ladigestion, typeses and kindred symptoms, its use, in small does, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most completed and ob-

prolipsus, or failing of the womb, weak back, formic weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulcoration of the womb, inflammation and ulcoration of the womb, inflammation, pain and tenderness is ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that exitical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pilla), cures Liver, kichey and Bladder diseases. Their combined use also response blood taints, and abolishes cancerous and strafulous humors from the system.

"Favorite Prescription" is the only medicine for women, said by druggists under a positive guarantee, from the manufacturers, that it will give satisfaction in ever case, or money will be refunded. This guarat tee has been printed on the bestle-wrappe and falthfully carried out for many year
