Medicine for Throat and Lung Diffculties has long been, and still is, Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Fauces; strengthens the Vocal Organs; allays soreness of the Lungs; prevents Consumption, and, even in advanced stages of that discase, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remody.

with pains in the side and breast. with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Poctoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

to every one afflicted."-Robert Hurton, Foreman Headlight, Morrillton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pro-nounced me in consumption. I deter-mined to try Ayer's Charry Pectoral. Its effects were magical. I was immedi-ately relieved and continued to improve until entirely recovered."-Joel Bullard, Guilferd. Conn. Guilford, Conn.

"Six months ago I had a severe hem-errhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various reme-dies, but obtained no relief until I be-gan to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me." Mrs. E. Not a single last Fall Overcoat was carried over to rust on the shelves, fade on the counters or to be injured by handling. All such goods were sold to and bought by Stern, of the Golden Eagle.

My present stock of Overcoats is direct from the manu. facturers, who obtained the fabrics from which they are composed direct from those who made them. Consequently no tax exists imposed by clothing speculators, jobbers, brokers middle-men and the like. In buying a coat you pay but small price for the cloth, a small price for making it up, and much smaller price to me for bringing it here and offering it to you for sale. Thus I am enabled to sell Overceats-you may not believe it until you call around and see-cheape - than any other house in Altoona, or in Blair county, or in this State, or, as for that, in the United States of America. Big words, it's true, but call and see.

All of the aggregated New and Popular Fabrics enter into the composition of the garments made up in the Latest Styles of Fashionable Taste for the present season, which, being strictly the case, no one who calls will fail to be astonished at the Marvellously Low Prices at which such Radically O Superior Goods are sold. Undercoats, also, at under prices, as well as
