T. A. SHARBAUGH A. W. BUCK, Cashier. General Banking Business Transacted The following are the principal features of a general banking business:

DEPOSITS Received payable on demand, and interest bearing certificates issued to time depositors. Extended to customers on favorable terms and approved paper discounted at all times.

COLLECTIONS Made in the locality and upon all the banking towns in the United States. Charges moderate DRAFTS Issued negotiable in all parts of the United States, and foreign exchange issued on all parts

of Europe. Of merchants, farmers and others solicited, to whom reasonable accomposation will be extended. Patrons are assured that all transactions shall be held as strictly private and conndential, and that they will be treated as liberally as good banking rules will permit.

JOHNSTON BUCK & CO. WHY YOU SHOULD USE OF COD LIVER OIL WITH HYPOPHOSPHITES.

It is used and endorsed by Physiciens because it is the best. It is Palatable as Milk.

It is three times as efficacious as plain Cod Liver Oil. It is far superior to all other socalled Emulsions.

It is a perfect Emulsion, does not separate or change. It is wonderful as a flesh producer. It is the best remedy for Consumption, Scrofula, Bronchitis, Wasting Diseases, Chronic Cough and
