The Pennsylvania Raliroad, Company is about to adopt a policy toward its employes more important than any in its history. Arrangements are being made to establish a pension system, the first of its kind in the United States, and the step will attract wide attention. The pension plan will be introduced in connection with the company's relief association. At the end of the association's last fiscal year, the third of its history, it was found that there was a surplus in the treasury, after the payment of all benefits of

EBENSBURG,

Best-Made Clothing in Philadel- a minute, its just as cheap as standing and more comfortable, particularly if you have been at work and are tired. Now if you have no objection we want to

talk to you a minute upon a topic that should interest you. Do you know that

STUMPF & CO. Ebensburg, Penn'a. Carrolltown, Pa.

have a New Plan Store in Ebensburg, and have been selling goods for the past two weeks as fast as they could tie them up. Have you investigated this way of doing business which is the giving of the greatest possible value for the least money. A careful investigation will convince you that their prices are unquestionably the lowest ever quoted in this market. They offer no baits ; everything bears the same uniform profit. Don't listen to the rot other merchants give you about the goods being inferior in quality, but see them for yourself. Don't pay \$1.50 for an umbrella when you can buy one for 42 cents.

DIED.
