A bad accident happened to Elsie, the little sister of John Tonkin, this place. The little fellow was walking along the highway, when he was attacked by a ram and bitten in a frightful manner. His collar bone was broken and skull fractured. At last accounts the boy was doing as well as could be expected.—Cherrytree Record.
The water from the water works has been shut off since Tuesday morning and causes a great amount of inconvenience to those who depend upon it for a supply. There is no other remedy, however, as a leak has been emptying the reservoir as fast as the water was pumped in, and the council had to let the water out in order to let the leak and repair the damage.
Mr. R. S. Sauter, of the firm of Fletcher, Smitten & Fowler, has been in town for several days. Messrs. Fletcher, Smitten & Fowler have established a permanent factory here for the manufacture of their combination fence and will be prepared to furnish it in any quantity to all who may be in need of a permanent, durable fence easily put up and easily removed fence. The fence will be manufactured at the steam mill of Mr. E. B. Crosswell in this place, where it can be inspected any time.
A Democrat from one of the northern districts, who was in town this week, dropped in to see us and with a merry twinkle in his eye remarked that our squib last week about the members of the Republican ring being awful kind to see people from the country, hit the nail square on the head. He was heard in town half an hour until he had been slobbered over by several men who had taken a very sudden liking to him, one of them informing him "if he was thirsty he knew where he could get a drink of good liquor without going to a hotel." It was at the Republican "speakeasy."

Remlock Briefs.
HEMLOCK, OCT. 22nd, 1899.
ED. FREEMAN:—After long absence from your columns I take the pleasure of writing a few lines that may be of interest to some of your readers.
Our genial friend and ex-postmaster F. G. George will have a grand ball and oyster supper in his hall lately purchased from Postmaster F. A. Thompson, and after the expenditure of several thousand dollars has remodeled and made it one of the finest halls in the county. The ball will be held on Monday, October 23rd, 1899. Those from abroad who wish a good time should not fail to attend. Tickets, \$1.00 per couple.

Mr. Andrew Bailey, of Carrolltown, and Miss Catharine Bender, daughter of Mr. Gephart Bender, of this place, were joined in the holy bonds of matrimony by the Rev. Thos. Wash, pastor of St. Boniface's church, this place, on Tuesday, October 15, 1899. Long may they live and prosper in this world's goods and not trample on a rolling stone.
The Lilly Cornet band held a festival for their joint use and benefit on Saturday last in Washington Hall, it was well attended. Try again one hundred years hence, boys.
Mr. Gephart Bender has nearing completion a very nice dwelling adjoining his residence, also Mr. Alex. George and Mr. Piper, all in our little borough; this shows that our little town is prospering.
Mr. Daniel Brown, secretary of Washington township school board, had his leg broken by a fall of coal while mining in E. W. Meentzer's colliery on Monday.
Olie, daughter of C. A. George, had the misfortune while at play in the school yard in this place of having her arm broken.
The Flood Commission Meets.
PHILADELPHIA, October 22.—At a meeting of the State flood relief commission today, the secretary was instructed to pay out the money appropriated to classes 1 and 2. It was explained that classes 1, 2 and 3, non-preparatory holders had been paid on the basis recommended by the board of inquiry except in those cases where changes had been made after reference to the committee on classification and distribution. The fourth class includes those who lost all their property and the fifth class clerks and others who lost more or less large sums. The board of awards in these classes has been somewhat reduced. The commission has distributed \$420,000 of the \$500,000 of the first appropriation, and in addition to the balance of \$80,000 thus remaining the commission had the sum of 1,000,000, and this is now being distributed among the five classes.

If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is that when once given a trial, Dr. King's New Discovery never fails to give satisfaction. It is a sure cure for all the troubles of the throat, such as colds, coughs, croup, whooping cough, and all other troubles of the throat. It is guaranteed every time, or money refunded. Trial bottles free from the drug store of E. James, Ebensburg, and W. W. McAtee, Loretto.
The Best.
Medical writers claim that the successful remedy for cancer must be non-irritating, easy of application, free from poisons, and will reach all the remote spots and ulcerated surfaces. It is the only remedy that admits that only one remedy has met these conditions, and that is Dr. King's New Discovery. This pleasant remedy has mastered cancer, as nothing else has ever done, and both physicians and patients are interested in its success. The most distressing cancer yield to it.

NOTICE.
Mary Ann Hrolley has left my bed and board without any just cause and she has been working at Gallitzin up until about a week ago when she returned home. On Wednesday after dinner she complained of not feeling well and informed his wife that she would go into the room and lie down, which she proceeded to do. About an hour afterwards his wife was aroused by her entering the room to find his hanging suspended by the neck from two nails in the wall. He had taken his suspenders and hooked them on two nails in the wall and then attached a strip of muslin which he tied around his neck. To accomplish his object he stood on a chair which he kicked from under him when he had completed his arrangements. Fritzing was a German, about fifty-three years of age, and leaves a wife and five children one of whom, a daughter, is married and lives at Gallitzin.

Dumplings with Royal Baking Powder.
No dessert is more delicious, wholesome and appetizing than a well-made dumpling, filled with the fruit of the season. By the use of the Royal Baking Powder the crust is always rendered light, flaky, tender and digestible. Dumplings made with it, baked or boiled, will be dainty and wholesome, and may be eaten steaming hot with perfect impunity.
Recipe.—One quart of flour, thoroughly mixed with three teaspoons of Royal Baking Powder and a small amount of salt, rub in a piece of butter or lard the size of an egg, and then add one large potato, grated in the hands after the usual way, stir in milk and cream of an apple (or other fruit as desired) without salt and lay in an earthen dish for steaming and steam until the fruit is tender. Bake if preferred.
In all receipts calling for cream of tartar and soda, substitute Royal Baking Powder. Less trouble, never fails, makes more appetizing and wholesome food and is more economical. Royal Baking Powder is especially made for use in the preparation of the finest and most delicate cookery.
