RICHMOND, Va., Nov. 6,-Virginia has repudiated Mahone and his Administration backers by a malority which at this time-1 A. M.-appears likely to each 35,000. Many strong Republican counties, both in the black district and in the western portion of the State, where there are few negroes, have gone Democratic, showing that both the colored people and the independent white Republicans refused to support Mahone The General Assembly will be Democratic by a two-thirds majoriity. This sweeping victory, which has made the Democrats wild with enthusiasm is attributed to an intense dislike of Mahone and his methods, and to the aprising of the intelligent white people against the domination of the negroes and the unscrupulous politicians whom Mahone has surrounded himself with. Governor Lee attributes the result to the "blocks of five" and other methods sought to be introduced by Mahone and Quay and to the loyalty of the people of Virginia to their principles.

CLEVELAND, Nov. 6 .- Late this evening the impression prevails here and it is based on the careful review of all the returns now at hand, that the Democrats have a majority of two in the House of Representatives and possibly a majority of two in the Senate. If this should be the case, a Democrat will succeed Henry B. Payne in the United States Senate. The senatorial election will occur in January, 1890. Senator Sherman has always had a Democratic colleague and now Payne, who is a very old man, and who says that he will not be a candidate for re-election, will be followed by another Democrat.

From the best information at hand, gathered from both headquarters, the House will stand 61 Democrats, and 53 Republicans, and the Senate 19 Democrats, and 17 Republicans, This would give the Democrats a majority of 10 on joint ballot.

RETURNS from all of the twenty-one counties of New Jersey place Leon Abs bett's majority for Governor at over 8000 and Essex 1000 majority. The Democrats have 39 Assemblymen and the Republicans 21, a Democratic gain of 7. The Senate stands 11 Republicans to 10 Democrats, a Republican gain of 1, giving the Democrats a majority of 16 en joint ballot, a gain of 11 over last your.
