MEETING OF THE DEMOCRATIC COUNTY COMMITTEE.

To the members of the Democratic County Commit GENTLEMEN:-There seems to be a prevailing opinion among Democrats, that - change should be made in our system of nominating candidates for office. It is urved that the present system has damaged the party in the county and that a like result has followed its adoption in all the other counties where it prevails. I have been repeatedly urged by prominent Democrats throughout the county, who have no other interest in the matter than the good of the party, to call the County Committee together, for the purpose or considering the propriety of retaining the demand, that the members of the Democratic County Conmittee, meet at the Armory Hall, in Ebensburg, on Monday the 24th day of Februaliberating on this and other matters of interest to the party. I would further suggest that each constituents on the subject, so that may action taken by the Committee would be endorsed by JOHNTH A. GRAY.

The Electoral College.

We have been asked why the authors ing a President. The gentlemen who tern on a damask tableclott. prepared the Constitution had for the most part no very great confidence in the intelligence and character of the masses of the people, and, with some exceptions they did not feel like trust ing the people directly with the power device a mere form, as it did very early in our history. Another Falary Grab.

The majority of the special Commits tee appointed by the House of Representatives for the purpose of inves igating the Silcott defatcation have verified ported that the Government ought to again pay the Congressmen whose salaries were stolen by the defaulting cashier. HAT IS SAPOLIO?

It is a solid handsome cake of scouring soap which has no equal

the laundry. To use it is to value it... What will SAPOLIO do? Why it will clean paint, make oil-cloths bright, and give the floors, tables and shelves a new appearance. It will take the grease off the dishes and off the pots and pans. You can scour the knives and forks with it, and make the tin things shine brightly. The wash-basin, the bath-tub, even the greasy kitchen sink will be as clean as a new pin if you use SAPOLIO. One cake will prove all we say. Be a

clever housekeeper and try it. BEWARE OF IMITATIONS. THERE IS BUT ONE SAPOLIO. ENOCH MORCAN'S SONS CO., NEW YORK.
