produced and sold in each county for and passengers will be on the same steamer two years previous, exceeded \$500,000. The bill provides that any owner of cotton, wheat, corn, cats or tobacco may deposit the same in the nearest depository and receive therefor Treasury notes equal to 80 per cent. of the manager of the deposito y shall give to amount of notes advanced ; but the interest on the money so advanced is at the rate of 1 per cent.

These deposits of cotton and other staples may be redeemed by the holder of the ware-house receipt at any depository by the surrender of the receipt and the payment is lawful movey of the amount originally advanced by the depositor and such further amount as may be necessary to discharge all inlerest as may have accude against it, and all insurance, warehouse and other charges. The term of office for a manager of a depository shall be two years. The sum of \$55,000 is appropriated to carry out the provisions of the bill.

## Congress and Food Adulteration.

Congress is doing its best to prevent the American people from being poisound by the food they eat. The foreign affairs committee of the Senate is strikingly illustrates the salutary and trying to keep out foreign poison by a bill prohibiting the importation of adulterated articles of food or drink. The Senate committee on agriculture is ing of poison of home manufacture and has reported a bill prohibiting the introduction of impure food into any S ate or Territory from any other State or Territory.

This bill also provides for the estabishment in the Department of Agriculture of - food division empowered to procure for analysis samples of food, irugs and liquors sold in any State or sentation and kept the voice of States Territory in the Union. It also pro- carotid arteries. He was thirty-four years vides a penalty for the affixing of false labels upon articles of food or drink. This bill appears to be inspired by the Department of Agriculture, as it has been introduced into the House as well

While there may be no objection to

adicious legislation on this subject by Congress, the chances are against the passage of any such law by the present Congress. There are too many bills under consideration. The originator of each wants his own bill passed or none and the result will be that none will be passed. - Phila, Times.

THE Democratic Legislature of Ohio has an important piece of work before ble to imprisonment for performing the it, and that is to rescue the State from the effects of the Republican gerrymandering of Congressional districts. In 1888 the Democrats polled 47.09 per cent, of the vote of the State and the Republicans 49.41 per cent., yet the together. Democrats elected but five out of the closely against the deadlier pestilences. party ready to violate the Constitution 251 Democratic votes to elect a Congress-There is prob
