FRIDAY, - - MARCH 21, 1890.

IN a New York local Court on Tuesday a Chinamen, who was called as a witness took the oath by lighting a parlor match and blowing it out. No one could make lighter of an oath than

An address has been issued by the Farmers' alliance of that State to the Kansas delegation in Congress, demanded legislation for the relief of the agricultural interests. It is stated in the address that one law firm in southern Kansas has 1,800 mortgages on which they have ordered to foreclose.

FRANCE, like the troubled sea, is never at rest politically. On Friday last the French Ministry disolved, the Senate having by a majority of 98 refused a vote of confidence in it. A new Cabinet, to last perhaps less than a year, will be formed and then in turn be displaced. France is fickle and variable as the weather.

DEPUTY COMMISSIONER of Public Works Bernard F. Martin, of New York City, was arrested on Monday in his office on Chambers street, on Indictments found against him by the grand jury. He is charged with receiving bribes in the sheriff's office when he was order of arrest clerk under Sheriff Grant. Other arrests will follow.

A LAND slide occurred at 3 o'clock on Saturday night at Troy, New York descending upon a building in which there were sleeping sixteen persons, killing three of them and injuring six. There were three buildings near, the course of the slide, one of which was buried beneath the clay, another was badly damaged and the third shattered.

he have no legal existence. At the istence of what Mr. Kirk Munroe in an interesting paper on the subject in Scribner's Magazine calls "A Forgotten Remnant," Mr. Munroe has evidently an intimate acquaintance with the life little, but good to say of them. Left to their own devices in the heart of the great Southern swamps they have thrived amuzingly, doubled in numbers and are now somewhat advanced in the peaceful paths of civilization. They raise fine crops on lands that no white of the region which the Seminole has made fruitful. The Fiorida Seminole in short is theroughly deserving of the inalienable rights guaranteed by our Constitution—the possession of life and property and the pursuit of happinessand if they were given him he would negroes and poor whites of that section. President Cleveland was informed of the industrious, peaceful character of tial reason for their removal from the country they now occupy, they should not be molested during his term of in this instance. The Government ought to protect this little band of aborigines, and secure to them the lands which they now inhabit. Mr. made already by rascally land-grabbers practice and give the Red Man a taste of justice and honorable treatment. Will one of the very few friends of the Indian in Congress take this matter up? The Seminole lands in Florida should be made a reservation at once.-Puttsburg Dispatch.

### Fatal Boiler Explesion.

CARBONDALE, Pa., March 16 .- Three persons were killed and five others injured by boiler explosions at the Nor.hwest Coffiery at Simpson, two miles north of this place at noon Saturday. The colliery is owned and operated by Simpson Watkins. The workmen were in the habit of going into the engines house to eat their dinners. The men had just entered the house Saturday when one of the huge boilers exploded. The one next to it burst a moment later, and the third boiler was hurled a distance of 100 feet, lauding on the breaker track below.

and timbers, bricks and pieces of iron his neck. were hur.ed in every direction. Men working near by ran to the assistance of the injured, and George Ross, Sr., foreman of the breaker, was dug out of the debris. He is badly scalded and both arms are broken, but he will recover. Ross's two sons Burt and George, aged respectfully fourteen and twelve, were dead when found. The body of the younger boy was lying on a bed of live coals. Another boy, John Thomas, been in it long enough to see their stars was so badly burned and bruised that formally added to to the Federal flag be died in a few hours. Five other persons were injured by the flying debris,

bu none of them fatally. The accident is attributed to carelessness on the part of the engineer. The damage to the plant is very great, and it will be some weeks before the colliery is able to resume operations.
