It was forced through in an afternoon under a | of oxen to the camp from the other side of resolution reported by Mr. Reed's Com-The bigger the better for the Republic of the State Treasury. Walters subsemittee on Rules fixing 5 o'clock of the in a direct line had to travel 58 miles before same day as the hour for taking a vote. be reached the camp. C. Noyes, the State Treasurer, died not Mr. Carlisle had been present at the ong afterward, and his death was said meeting, but the hour for closing debate was surreptitiously inserted in the resolution after he had quitted the room. He protested against the limiof guilty terror. A new State Treasur tation and the Democrats undertook to er lawyers. An ignorant Missouri farmer er had been elected and exposure was compel a seasonable debate, but they wrote his will in four lines on a slate and it iminent. A friend who visited him at | were defeated by Mr. Reed's control of | stood three lawsuits and ten lawyers. the House.

Our judicial system was finally changed by a vote of less than a quorum, and without the knowledge of the country, for there was very little discussion, the debate lasting not more than an bour. In other words, there

was a snap judgment. The incident is valuable and important as showing how the country is absolutely at the mercy of Mr. Reed and the blind partisans who are rushing headlong after him. If it is possible to by being nominated and elected to the change the Courts, to create eighteen | them in the burning coke ovens, contentedpeople, what is to prevent the perpermation tration of any legislative crime ?- N.

A Town Ruined.

BAYOU SARA, LA., April 21 .- Afters at 12:30 A. M. At that hour the guards reported that the levee had given way at the foot of Fountain street. A general alarm was sounded, and the people responded promptly to the call. This break was closed, but on examination it was found that the rising river was running over the front levee. All ribly burned while rescuing the other childone, and at .ast the solemn cry went of a coal oil lamp in the room where the up all along the line, "Give us men ; we are gone," and then the confusion of the people can be better imagined than described. Every impromptu boat and came famous by arresting single-handed six raft was brought into requisition. Lan- of the Hatfield gang, was shot to death by cries of men, women and children at- county, that State. Phillips'accused Smith.

The town is in ruins. Nothing but chaos and dethe picture more gloomy. The water is also running over a large extent of the Pointe Coupee. The Taylor levee has given way and the Fanny Yoor crevasse will probably prove a very serious one. The large levees from the last accounts

are intact but things look critical. A New Orleans dispatch says that du- Gould's marriage to Gould. ring the atternoon a levee gave way at Myrtle Grove plantation. In 20 minutes the break was 50 feet wide and the water rushing through in torrents. Later advices state that the crevasse is more than 2,000 feet wide and eight to er is reported falling and danger to the levees practically past.

The Tariff kills Trade.

The failure of the Pan-American Congress to make any arrangement for and the Central and South American tariff laws. They prevent the importaties on raw material, and they also prevent the exchange of our manufactures for the coffee, rubber, etc., which we buy and admit free of duty, but which we cannot pay for in goods the price of which is enhanced by taxation. matter. During the year 1889 we imported into the United S ates manu- York, in pursuit of a rich young man named factored woolens valued at \$52.564,942; manufactured silks, \$35,122,765; manufactures of hemp, jute and flax. \$25, 705,553; manufactures of wood, \$11,-218,148; manufactures of leather (chiefly gloves). \$11.296,322; and manufactures of iron and steel, \$42,377,793. This aggregate of over \$200,000,000. which represents only a few of the lead ing articles of imported manufactured goods, has been brought in over the high preventive tariff wall, which adds about 50 per cent. to its cost.

How can we expect to pay the Brazilians for their coffee, the Chilians for their copper, or the Argentinians for wood, leather, iron and steel, so long as they have access to free markets the same as ourselves, and with the advantage of 50 per cent, over as ?-Phila.

Bothered About the Hungarians.

WASHINGTON, April 20 .- S:ate Senator Hood of Indiana county, who is supervisor of census of the sixth Pennsylvania census district, is here on official business. Senator Hood states the law has made no provision as to the takwhose language is unintelligible to the is desirous of making special arrangements for doing this work. He will call on Suferintendent Porter to-morrow. The biggest banch of Huns is at Punxeutawney where 1700 are located.

Five Thousand Lepers in New Caledonia.

H. C. TOWNSEND, G.P. &T. AGT, ST. LOUIS, MG.

Looking out over the many homes of this country, we see thousands of women wearing away their lives in household drudgery that might be materially lessened by the use of a few cakes of SAPOLIO. If an hour is saved each time a cake is used, if one less wrinkle gathers upon the face because the toil is lightened, she must be a foolish woman who would hesitate to make the experiment, and he a churlish husband who would grudge the few cents which it costs,

GENUINE BARGAD
