Bragisa Good Dog But Hold Fast a Better One.

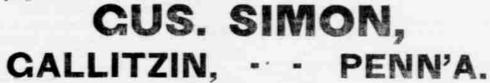

The above true saying we quote, believing it to be applicable in our case, as everyone knows Simon to be a reliable and square-dealing merchant. Trace, if you choose, his record back for fifteen years (that being the length of time he has been doing business in Altoona) and you will discover a record perfectly clean in every respect, and as it has been in the past, just so will it, be in the luture. Now, in speaking of our business record, we wish to say that have always adhered (strictly so) to originality in advertising, and we never (as do some of our competitors) cory or imitate This assertion we make without fear of successful contradiction. Another fact we wish to impress upon the public is that we sell our goods at the figures quoted in our advertisements. Another fact to which we wish to call the public's attention is that we receive more goods in one day than do some of our would-be competitors in two weeks, and the truth of this can be verified any time by referring to the Pennsylvania Freight Department at Galilizin. Now, no doubt, all we have said in the foregoing will be considered by some of our green-eyed rivals as significant of nothing. We generously accord them the benefit of the doubt, but nevertheless, THERE is a volutious significance in what we have said, i. c., that we are doing a husiness of Jumbolical immensity ; that we are selling Groceries away down, as usual ; that we are selling Dry Goods 50 per cent, lower than any other store in town. Calico at 3 cents per yard, and Ginghams (the best) at 6 cents per yard ; that we are selling Men's Brogans at 95 cents per pair ; Boys' Brogans at 75 cents per pair ; Men's Dress Shoes at \$1.24 per pair ; Children's Shoes 22 cents per pair ; Ladies' Dress Shoes at 90 cents per pair ; Ladies' Dress Kid Shoes at \$1.24 and \$1.48; Common Sense or Spring Heel, Boys' Shoes-Lace, Congress or Button at \$1.00 per year.

Clething is our main forte and we dare say no one can touch us on prices. Children's Souff Suits, \$1.24 ; Children's Dress Suits, \$1.48 ; Children's all-wool Suits, \$2.50 ; Boys' Dress Suits, long pants, from \$2.48 up ; Children's Pants, 90 cents pur pair-of which we have 500 dorse. No 11 you you desire to take advantage of these bargains you had better do so at once. These goods are are all good and are for boys ranging in age from 14 to 19 years. \$4.00 will buy a suit worth \$5.50. Men's Dress Suits, Sack of Cutaway, black corkscrew, at \$7.50 per suit. Frince Albert Suits, \$15,00 each. 100 dozen Men's Jean Pants, warranted not to rip, with patent buttons, 75 cents a pair. An elegant line line of Frunks, Valises, Furniture, Classware, Hats, Caps, Gent's Furnishing Goods at prices very low. In conclusion we will say that our Mr. Simon is in New York this week for the express purpose of laying in an immense stock of goods of all kinds. Se be on the lookout for surprises, as there is going to be one of the greatest slaughters in prices that this vicinity has ever experienced.

P. S .- We manage our business to suit ourselves as well as the porktbooks i wi our many customers, and as we are not simply running a store for our own emolument altogether as some of our competitors (7) apparently are doing, we propose and intend to sell goods as we please. It we give them away when we are disposed to do so, WE are the losers and the laboring man the gainer. Stick a pin hero.

Everybody, whether they buy or not, should call on us and examine our stock. It will do you good.
