next Presidential term.

A Wild Glare at M'Kinley. Major McKinley admits his defeat, in Medina, and McKinley's gains were due not to his bill but to his personal popularity in his own county of Stark. But does Major McKinley think the fact that he was defeated by only 280 majority is a compensation for the loss of the House of Representatives by 140 majority; of three or more Senators. and of a dozon State Governors and legislatures ? Is it compensation for the fact that the State and Congressional apportionments of New York. Michigan and Wisconsin will be gerrymandered by the Democrats ? These by Major McKinley's biil. Let him look beyond the bounds of his county. survey the entire National field, and then say whether he is satisfied with the result of his work. If so, Mark Tapley was not a circumstance to him for
