Ex-Senator Wallace Assigns.

The following is taken from the Clearfield Republican: Ex-Senator W. A. Wallace on Monday made an assignment for the benefit of his creditors. The reasons given are excessive tightening in the money market and inability to obtain money to meet obligations.

The whole indebtedness of Mr. Wallace is estimated at \$300,000 and a moderate valuation of his assets aggregates about \$600,000. It is as yet impossible to fix the amounts accurately. The assignees named in the deed of assignment are T. J. N. McCarrill, of Harrisburg, Pa., and William E. Wallace and Allison O. Smith, of Clearfield, Pa.

Depositors of the bank and other creditors of Wallace have no fear of losing their money, as the securities even at a forced sale would bring three times the value of the liabilities.

The New York Sun of Saturday last says: The New York Central Railroad has formally taken hold of the Beach Creek Road and appointed J. D. Laving General Manager. The Vanderbilts have long had control of the road, and they have now transferred it to the Central.

It is said that the fumes of kerosene, when a lamp is turned down, are liable to cause diphtheria. The New York board of health, a few years ago, decided that to this more or less extent, the prevalence of this disease was to be attributed. This is given as accounting for the fact that diphtheria generally begins to spread with the advent of short days and long nights.

During the deer season which began on 1st of October last and closed on the 15th, inst., there have been killed in Diamond Township, this county, the unprecedented number of 69 deer and two bears.
