It is reported from what appears to be reliable authority that ex-Governor Foster, of Ohio, will be appointed Secretary of the Treasury to fill the vacancy caused by the death of Secretary Windom, Ex-Governor Foster is opposed to free coinage and his appointment will not be relished by the silver men of the West.

THE bill to re-imburse Banker Kemble, of Philadelphia, for the money advanced to the State on account of the Johnstown flood has been pronounced unconstitutional by some authorities in the Senate, but the loan of \$400,000 will doubtless be authorized by the Legislature to be paid back, although the Governor may veto the bill.

tempt to change this system will be exhese oppositions exist there can be no successful denial of the fact that this way of paying taxes has given all parts of Pennsylvania miserable township highways. Work done in this way is as a rule only half done. It were better for the roads if the road tax were all cash, but there would thus be imposed a burden upon the farmer that would soon jeopardize the existence of the road law. No road building can be carried on suc.
