Time election of General Palmer to the United States Senate by the Legislature of Illinois, says the Philadeiphia Herald, has greatly strengthened the opinion that favors the selection of Senators in Congress by popular vote. In the last campaign in that State both parties put forward favorites for the Senatorship. There was no law to sustain the action, but it served to secure an expression of sentiment on the subject. General Palmer received a substantial majority of the votes, and, after a long contest in has been confirmed by the lawfully con-

Communication

St. Augustine, Pa., March 16, 1891. Editor Combria Freeman: Sin:-Will you kindly give me space i your invaluable paper to answer certain charges made against me as president of the Farmers' Alliance of Cambria county. which appeared in the Gallitzin Vindicamer?" I am charged with working in the interests of certain Democratic politicians known as the "Court House ring." Also, of having designs of securing some fat office by blindfelding the farmers to secure that end by political filibustering, etc. The writer of the article referred to, inspired by certain conspirators, and he

imself having an axe to grind, is well known to me and had he signed his name to the article uo reply would have been The actions of the Farmers' Alliance of Cambria county so far are above reproach. Every member of our organization knows that no word or act of the officers could be construed as favoring any Court House ing or any Democratic aspirant. Our or ganization is not on the market and cannot be bought to favor any candidate of any party. In December last the president of the Wage Earner' Alliance addressed a

letter to me asking my views about forming an alliance with us. I replied stating would meet them at Gallitzin immediatev after Court adjourned. I did so and was met at the station by J. W. Kilduff, who estorted me to the room where the conference took place. I expressed my views fully but gave them to understand that they were simply my own personal views. I promised to lay their views before on meetings. A meeting was called at Carrolltown in January. I was there but the oads drifted shut the same day, so that only four men turned out. Another day was named three weeks later, but by a mistake I went to soon. I then apointed February 27th as the date for holding the next meeting, but when the time arrived I got sick and was unable to attend. The Farmers' Alliance of Carrolltown is not or affair and in my judgment was a mistake. If the Wage Workers' Alliance could not wait until we could take action on their proposition, we hold our organization of their proposition. This communi-

cation is for the information of the Far-
