EARL GRANVILLE, a leading English Statesman died a few days ago at the age of seventy-five years.

YESTERDAY, April 2, was the one hundred and forty eighth anniversary of the birth of Thomas Jefferson, the father of the Democratic party.

NELSON P. REED, chief editor and proprietor of the Pittsburg Commercial Gazette, died at his home in that city on Saturday last, from a complication of pulmonary troubles brought on by an attack of the grip.

GEN. JAMES A. EKIN, of the U. S. army, died at Louisville, Ky., on the 27th nlt., aged 72 years. In the early days of the war he was stationed at Pittsburg as acting assistant commissary of subsistence.

THE Legislature of Maine has passed a law requiring citizens to be able to read and write before they are qualified to vote. The same body has under consideration the removal from office of Judge Charles S. Hamilton, of Biddeford, for intemperance, immorality, licentiousness while a Judge, as well as for the holding of a drunken court.

SECRETARY BLAINE is endeavoring to arrange an international convention by which the commercial nations of the world shall bind themselves to maintain a close season for fur seals everywhere. If it can be accomplished, it will prevent the threatened extinction of this valuable animal, and rendering the Behring

Between the fighting factions home rule prospects for Ireland are not very bright. At Sligo, where Parnell spoke, Thursday, the McCarthyites set up a fire escape at Parnell's hotel amid cheers. The incident had reference to the Mrs. O'Shen affair. Maurice Healy, speaking at the same place, denounced Parnell as a coward and a sneak, in addition to being a libertine and a liar.

The indicafrom -- a gain of nearly as many elector- tions are that the President will not have

the admission of new States.

Tim: Legislature will adjourn to-day (March 26) until April 6, says the Philadelphia Times, to allow its religious members to observe Good Friday and its business members to attend to their "settling day" business on the 1st of April, which, strangely enough, in a good part of Eastern Pennsylvania is the

beginning of the business year. The first of April adjournment is in accord with a time-honored custom which it is quite as useless to criticise at this late day as it would be to criticise the observance of the Fourth of July. Since the passage of the present salary law the members are not paid by the day and the adjournment cannot be said to be at the expense of the State. a whole week to transact one day's business, if the members want it that way they will simply have to sit as much longer to transact the necessary business

In point of fact it looks as though the members of the Legislature were preparing for a long session. There have months scarcely a dozen bills have gone to the Governor. The great measures of are in an unfinished state, the latter being in fact still in the hands of the comthemselves in the two Houses at Harrisburg all present signs will fail.

FEDERAL pensions reaching \$150,000,-000 a year, says the Pittsburg Post, are an enormous drain on the vital energies of the country. They represent the labor of 1,000,000 men for five full months of the year, enforced for the benefit of non-earners. While the full sea question of no practical importance. amount is not actually taken from that particular number of workers, the St. Lonis Republic points out that every dolproductive labor of the country, the number of men engaged in which can never be more than one-fifth of the total ional and mercantile. So that this tax of \$150,000,000 a year is actually taken ered that a dangerous counterfeit \$2 silearners is compelled to support four who have been in the habit of chumver certificate is in circulation. It is so non-earners. But this is the average ming with "Sam" around the capitol nearly perfect as to be almost impossible merely, for the bulk of the pension corridors and restaurants. of detection. It is proposed to suspend money comes not so much from the Russell Harrison, who is said to be and withdraw the \$40,000,000 that have chants as it does from actual producers ing questions affecting public lands, has been issued from circulation. A new of commodities, whether agricultural or sentative Carter of Montana appointed

His body was terribly mangled. He had sufficient presence of mind to turn off the power when he felt the pressure, but it did not save him. He leaves a widow and two

-Americans use an alloy of one-tenth opper in making coins-to harden them The English use less-one-twelfth. Some time ago the English government filled two spinning cylenders with coin, one with ours and one with theirs, and set them both revolving. They acknowledged that theirs were away much more under the shaking than ours did, but they were too onservative to change their standard.

-A valuable mare and colt escaped one day last week from the barn-yard of Ablah Hayes, the noted stock-raiser, just as a freight train came thundering down towards an adjacent crossing. The colt got in the way of the train and was caught on the cow-catcher, despite the mare's anxious neighing. The long train could not be stopped until it had run the better part of a mile. Then the colt rolled off unhurt The mare had wildly leaped culverts and LONDON, March 31 .- A dispatch re- crossed fences, and was almost up with the

-The Treasury Department at Washington has discovered the existence of a counterfeit \$2 silver certificate so nearly perfect as to be almost impossible of detection. The paper of the counterfeit note which has always been a block to counterfeiters, is perfectly imitated. So far as is known, only the \$2 certificate of 1886, which contains a vignette of General Hancock on its face, has been counterfeited. As there are now nearly \$40,000,000 of these notes in circulation, it is a serious problem with the Treasury officials how to get stitute a new series without embarassment

Correspondence.

Loretto, Pa., April 1, 1891 Sin:-Bear ye one another's burdens; we should avoid all needless and volunen other officers who accompained him tary observations concerning these faults, to Manipure were also reported to be missing. The missing the second paint tary observations concerning these faults, and that we should not be blind to their missing. sighted in regard to their bad gualities, we should remember what a change God may by one act work in the most unworthy of men. Charity sees everything in the same light God does, and consequently extends itself to the meanest of creatures. Grace does not take away our knowledge f what is contemptible, but teaches to bear with it in devout submission to the secret designs of God. It does not permit us to humor ourselves in an impatient or disdainful temper, and as it makes us principally regard and only rely upon God, so it prevents our being disappointed or provoked at the folly and corruption we see in the world. What if others are weak? Is that a reason for your disregard of them? You who are so much shocked at the faults of others, are you without faults, and do you never cause anybody trouble? Do as you wish to be done by, and if every person looks at their own faults, they will have W. A. B.
