OLD potatoes reached the higest price known for years in Pittsburg on Wednesday, when they sold for \$2 per bushel and in some cases a shade higher. The high price is owing to the scarcity of potatoes in the market.

The Register Assessor, under the new law, must not depend one whit upon old books or papers, but must go from house to house, and note all changes as well as register living voters at the household and be accountable for direction.

Joseph E. Boyd, father of Governor James E. Boyd, of Nebraska, and whose failure to take out his final naturalization papers was the cause of the Nebraska Gobernatorial muddle, died at Zanesville, Ohio, Sunday evening aged seventy-five years.

strued as indicating that the bill providing for a convention in the event of the people voting for it, will be signed.

In order to keep whiskey away from the natives of Alaska orders have been given by the collectors to the command ers of the revenue cutters Bear and Rush to seize all whiskey, except such as may be required for medicinal use, found upon any whaler cruising in Alaskan

Ox Monday, the Grand Jury sitting in Philadelphia, found true bills of indictment against John Bradsley ex-City Treasurer, for appropriating funds belonging to the city to his own use. On

In the Supreme Court, at Harrisburg on Thursday of last week the application of the Delamaters for a change of venue of their case from Crawford to an adjoining county, on the plea that public sentiment prevents a fair trial there. was argued. Joshua Douglass appeared for the Delanaters and George F. Davenport for the depositors. The court took the papers and reversed the decision.

THEREEN North and South Dakota counties sent crop reports to the United States signal service office showing all crops except corn to be in fine condition, although sunshine and temperature have been below the average. Many heavy rains have occurred over both states. All crops, especially late sown, have been very much benefited. Reports indicate that they are in fine

THE census-taking in this country fades into insignificance when compared with that in India. About 1,000,000 enumerators were engaged in the latter and their count amounted to 336,000 .-000 souls, an increase in the decade of 29,000,000. A very strange feature of the census was the fact that it was taken in one day. It only gathered facts of the very first inportance, however, and did not enter into details like the Amer-

Among the bills signed by Governor Pattison are the following: Providing for the health and safety of persons employed in and about anthracite coal servation of property connected therewith; providing for the recovery of damages to trees along public highways by telegraph, telephone and electric companies; increasing the amount of armory rent to be paid the companies of the National Guard, and extending provisions of the roll of retired officers.

Dying from a Cat's Bite.

Richard S. Bartine, one of the leading lawyers of Monmouth county, N. J., is dying at his home in Loch Arbour from the effects of the bite of a cat. He displays all the symptoms of hydrophobia. Mr. Bartine is the oldest living son of Rev. Dr. David W. Bartine. His law office is in Asbury Park. On his way home Wednesday afternoons Mr. Bartine would walk from the elevated railroad car across the bridge over Deal Lake. On his way home about eight worrying a cat on the bridge. He drove the brute away and took the cat up in his arms, when the animal was attacked with spasms and bit the lawyer on the The injured hand healed, and Mr. Bartine felt no ill effects from the wound until Tuesday afternoon, when the World's Columbian exposition at he complained of pains in his side and head. Since then he has been suffering from violent spasms.

To Reorganize the Miners.

PITTSBURG, Pa., June 8.-Efforts will be made at once for the complete reorganization of the miners in the coke region by the United Mine workers of America. Vice president Penna, of that organization, said to-day: "Our fight against the coke operators must be send a military band, and will make maintained as long as we cannot get our rights. The fight cannot be evaded. I believe it will not be long before there will be another strike in the regions. The settlement at present is one purely On Thursday of last week, the Chilian through force. The men have no obligations, moral or legal, to remain at work for three years. A settlement like the present one will never remain in force."

Lumbermen Fight for a Dam.

Gladwin, Mich., June 7 .- B. W. Subtile, of Saginaw, is engaged in logging on the Tobacco river, this country, and to get his 12,000,000 feet of lumber a river of respectable dimensions. In so doing, however, he shut off the water and left C. K. Eddy & Son, of Bay City, who had 7,000,000 feet of logs below the dam without water to float their logs. Eddy tried to get Gubtile to release the dam, and, failing in this, threatened to half of Gubtile's logs high and dry he stationed three brawny woodsman at the | weeks. dam to guard it. Eddy sent seven of his gang of woodsman to the dam with a keg of powder and instructions to blow

Both parties were armed, and had a pitched battle, in which Bill Jinks of the of the Gubtile guard was shot in the leg. The Gubtiles retreated, and the dam went into the air. Eddy's logs floated down all right, and so did about 6,000,000 of Gubtile's. A lawsuit will

Unearned Forfeited Lands.

DES MOINES, June 8 .- On July 16th there will be open for entry in Iowa the unearned forfeited lands within the indemnity limits of the grants to the Sioux | hiding place for arms. City & St. Paul, Chicago, Milwaukee & St. Paul, and the Cedar Rapids & Missouri River Railroad Companies not emmonths ago Mr. Bartine saw a big dog | braced in sections heretofore made on appeal for said Companies. There probably will be about fifteen thousand acres of these lands opened up for entry, as ordered by the Secretary of the Interior. A large part of these lands are occupied by settelers, who have been innocent purchasers of the railroad companies and have made improvements. In cases of this kind the settlers will be given the first opportunity to make entry. Several thousand acres of land, however, is raw prairie, worth \$10 to \$20 an acre. All this will be open to the general public for entry. Many inquiries in regard to these lands are being received, and a great rush to secure holdings will be made.

Collector Martin Resigns. Washington, June 8 .- Senator Quay arrived in Wathington last night accompanied by Collector Martin, of Philadelphia. This morning the Senator, ac companied by Mr. Martin and Judge Gilkeson, the second controller, called on the President and had a long talk. Mr. Quay handed the President the resignation of Mr. Martin as collector at

Philadelphia. He then talked with the President about the appointment of Mr. Martin's successor, and about the appointment of a successor to Judge Sco field, of the court of claims, who is soon to retire. He urged the appointment of Judge Gilkeson, and it is expected that he will be appointed. In that event COL. LEBEL, the inventor of the Lebel Senator Quay will probably suggest son one for second controller.
