About Spring Fever. Who hasn't suffered from this disease? We say disease advisedly, for such it is. It is a general relaxation of the system that makes the victim averse to exertion. Un-less the constituion is keyed up when these symptons appear, some acute malady at-tacks the vulnerable points and life is en-dangered. A good stimulant promptly and properly used soon tones up the weak spots. Leading physicians of the land invariably recommend the use of pore rye whiskey in An average rate of 7.84 mills on the dollar prison was seriously injured although a brakeman was slightly hurt by jumping.
