PORTLAND, Ore., July 23, 1891.

Sin: —It is one year since I left home and friends in Ebensburg for a sojourn in the "far West." After remaining in Spokane Falls six weeks, I left for Oregon and took with me, in addition to my trunk and grip-sack, the germs of typhold fever in my system. The details of my subsequent 1889 that any trouble resulted. She frequently complained of a pain in her side, and finally an abcess formed. The pin came out, having been nearly two years in her body. Since that time the child has fore writing—that having mutil I could say it before writing—that having mutil I could say it before writing—that having more shown as the country of the writing—that having more shown as the country of the writing—that having more shown as the country of fore writing -that having come through i safely, with family all here, health re stored, strength increasing, and the hope of overcoming linancial reverses encouraging, I have no regrets to express for having come, except that attending the ab-sence of familiar faces and pleasant asso-ciations of old time friends. Our friends in your town and county possess a sterling worth that we cherish with an undying

As I am writing to a number of sincere friends I cannot speak the full sentiments of our hearts without expressing our gratscription of all the West I have seen with-out asking too much space of ye kind-hearted editor; so will confine myself to

some general remarks mostly about the city in which we live.
Portland is the leading city in the Northwest, notwithstanding the loud claims of Spokane, Seattle and Tacoma. This side two car-loads more. They will then have a large assortment of the latest styles for They have wealth and natural advantages north of wealth and natural advantages north of the latest styles for wealth and natural advantages north of the latest styles for the select from the latest styles for wealth and natural advantages north of the latest styles for the latest styles fo the Golden Gate. As a shipping point it combines all the advantages of a scaport city and an inland metropolis. It is one hundred miles from the ocean by water, but all sea-going vessels can reach its wharves by the way of the Columbia river eighty-eight miles, then up the Willamette twelve miles to its location, on both side f the river. At Portland the depth of the Willamette is sixty feet and has an average depth from here to its mouth of forty feet, and is half a mile wide. Since the 15th of last month the population of this city has For beauty of environment Portland is unsurpassed. The evergreen forest that

skirts the town along the higher ground the west and creeps to the river's brink at either end of the city, forms a pleasant back ground, and which, with the green landscape, makes a panorama that blends in the urban picture with wonderful charm. Portland is located at the foot of the far-famed and fertile Willamette Valley which is 125 miles long and 75 wide, bordered on the east by this picturesque Cascade range, dotted with its snow-capped peaks in full and charm-inspiring view all the year round. On the rest the Court the year round. On the west the Coast mountains separate it from the ocean and check the velocity of the sea breezes, which make a gentle and soothing zephyr in the Valley.

It is truly a land of evergreens, cereals, fruits and flowers. The climate is equable the summer days delightful, the resources of the country practically unlimited, al-though an unknown quantity, beyond com-putation. Yet it is not an unqualified par-Portland occupies in many respects the
