And Hogas jains manufactured in just that entry, thought much of the one, but more of ancient shape: then it must be painted the other. His heart was bound up in "Lat us hope," said Lovel, carnestly, the girl, with her hughing blue eves, golden hair and sunny face . He had, "that there will be no grand family planned a great future for her, for the dd mnn cared more, if possible, for his "Aunt England sever uses it," said daughter than he did for his dollars, Hadys. "TShe only unpacks it at in-

and he determined that regardless of all expense his girl should become a hady, dress like a lady and marry like rhily should. Boggs, of humble parentage himself-himself a hard-toiling man all his life-determined that his

bara that you are here alone? I am daughter should become an aristocrat. quite sure she would invite you to her And so he did not hesitate to pay over large sums to Mme. Emilie, of New Gladys colored to the very roots of York, to whose fashionable boardingschool Miss Lucy was sent to acquire a "If you do, Lovel," she said, "I will "fust-class edication," as the old man never forgive you. No. We neither

proudly referred to it. of us wish to see the other. Let things So that it can readily be seen that when Miss Lucy returned from the "But I may come to see how the school with a diploma, which duly set forth all her requirements it was a "Oh, yes," said Gladys, brightening. sore blow to the old man that she "For may come. But mind, not a word should immediately fall in love with a penniless young artist, who had strayed The important business tools time, as over from Gotham to sketch some of the glorious scenery about Dudleyboro. But she did. And, what is more to the point, she married him, too, in optic of her father's stern demands and her mother's tourful protests. It was a seeret marriage, and when the young couple appeared before the old man it was with the dull expectation of his releating and bestowing upon them his full forgiveness. But no such thing occlicited. "You have disobeyed not commands,

he sold: "now shift for veter [0, girl, I never want to see or hour from point again. Begone?" And there was some thing like a onese on his lips as he turned from the young bride and her here barnet.

It was very dreadful, of course, Lucy had read of such things before in stories: which secured very improfiable, but it never occurred to her that her father would treat her. Liney Boggaor, rather, now Mess Lucy Nogge-Chanfor-in any such minner. But right

there she was mistaken. And so Mr. and Mrs. Chanter returned to Gotham and art and a rather precarious existence. Her letters to her father were unanswered; after awhile they were returned to her, anopeneil. The old main evidently mount what he said. The death of Mrs. Boggs a year or set later d do't tend to noften his heart; if possible, it became Hintier than before.

This was the siluation that fresty December evening when Boggs ejaculated: "Dent it?"

"Read that," he sold as he tossed a letter over to the old housekeeper. The old man's tones were a trille softer. than usual, for all he tried to appear stern and hard-hearted aboat it. The news was a terrible blow, but the old man determined not to betray the fact. "Mussy on usl" ejaculated the old woman. "Lucy and her husband both dead and their two-year-old child an orphing? And we've got to take it or

it'il be sent to the asylma. Well, well?" "Yes," said old Boggs, "and I supis at pawnbrokers' sales. I buy the pose we'll have to take the young 'nn, for ten, twenty or thirty cents and selflame constitutes for three dollars

mind X.P The old man paused for full three main steve.

"I ruce-the-has." he finally said, slowly. "Von needs't go leastwise till you've under us a good, long whit. And I damas but I might go back to New York Sylles with ye. It's protty lonely out horn, and I've got kind o' fond o' the child."

"Bo, father." replied the daughter: "mothing would please us more-Will and L We wil'-

"But it was a mighty mean trick." interrupted the old man.-Chicago News
