Miscellaneous Notices. EBENSBURG MARBLE AND PRANITE

writer of this article visited the Marble and Granite Works of Jas. Wilkinson & Son, which were founded in 1880. The senior member of this were founded in 1882. The senior member of this progressive firm has had an experience of thirty-five years, and his son and partner is also a skilled worker. The class of work they produce is of the highest class and style. From four to five hands are employed and the very finest moniments in the county seat are specimens of their kill. Shipments are made through this and to

uments in the county seat are specimens of their skill. Shipments are made through this and to adjoining counties.

"All kinds of cemetery work is executed and a fine line of Iron Railing is handled and sold. The stock of work kept on hand (received by the car-load) is very extensive and many very fine monuments are exhibited, two especially being executed in the rustle style and in imitation of brickwork, with a finely executed cross on the top. Among the many fine monuments erected by this firm is are elected ton hifteen-leet-high monument for Sheriff Griffith, monument for Father Christy (sixteen feet high), also monuments for Jacob Kibler and daughter of John Griffith. Both gentlemen give personal attention to business as well as executing the finest work. In all the time they have been in business they have adhered strictly to the maxim all goods just as represented and prices as low as the same class of work can be bought elsewhere. We have no hesitancy in recommending Messrs. Witkinson & Son to our readers as reliable business men, progressive and trustwethy. Visit their establishment before ordering elsewhere.
