THERE is a tariff duty of about 400 per cent. on imported pearl buttons; but the girls who are employed in the pearl button factory in Detroit have been obliged to strike against a reduction of wages. It would appear that an abso lutely prohibitive tariff rate is not sufficiently persuasive to induce the maintenance of a moderate wage rate. In the light of such facts the laborer can see without eyes the hollowness of the pretense that high duties are a guarantee

of high wages.

MCCH valuable territory in the West has been located by settlers through the means of scrip issued to Indians in payment for their lands, and afterward assigned to other parties.
