THE third party is an object of unus ual interest just now. If it materializes it will threaten one party in one state and the other in another, with the less of electoral votes necessary to a choice Each parfy would like to see it active in the enemy's territory, but depreciates its activity elsewhere. The third party men thus become political factors of much larger importance than the size of their party would make them under ordinary circumstances.

THE design for the proposed souvenir half dollar to commemorate the Colum bian exposition has been made, and proof-piece will soon be struck off. The coin will be silver, and will be coined from old silver dollars instead of bullion A copy of the design is to be seen at the United States mint in Philadelphia. On one side of the coin is the administration building at Chicago, fronting the lake. On the other side will be a head of Col umbus, taken from Ricous' portrait of the discoverer, now lying in the Queen's library, at Madrid. Suititable inscriptions, indicating the purpose of the coin, will be engraved upon it.

Three Chances Now.

This year, in considering probabilities, he Democratic party has three chances to win where it had one chan e tour

In the first place its chances of carry ng New York are greater than the, were 1888. If it succeeds in this and in arrying the states that were Democratic in 1888, and if Indiana goes Democratic the size of the common wild cherry. Its as it is quite sure to go, the Democratic candidate will receive 226 electoral votes | tion. r 3 more than a majority.

In the second place, if New York goes Republican its lost 36 votes may be made up from Illinois, Kansas, Nebraska, Wisconsin and Iowa. These states cast 67 electoral votes, and they went Democratic or at least anti-Republican in 1890. They have Congress 29 Democratic, 14 Republican and 7 Farmers' Alliance representatives. Morever, from 4 to 6 votes are expected from Michigan. Clearly New York is not this year, as it was in 1888, the only fighting ground for 36 electoral votes.

In third place, these five states and | -Miss Nora Shelter, a young woman re-Minnesota, with its 9 electoral votes, siding in Williamsport was attacked Thursmay be carried by the Farmers' Alliance. day night by three negroes who knocked Giving New York to the Republicans her down with stones and then gagged her. the electoral vote would then stand as In this helpless condition her person was follows: Democrats, 190, Republicans, brutaily outraged. There is no clue to the 179; Farmers' Alliance 75.

As the necessary majority of the Elec- ... manufactured goods that enter into home | Annie Neal, the daughter of an Irish consumption, and we promise its repeal merchant in Baltimore. His great as one of the beneficent results that will grandfather was Dr. AaronCleveland, graduate of Harvard and an Episcopa ninister in Philadelphia, where he was a close friend of Benjamin Franklin, in His education was obtained in the teacher in a blind asylum. At the end of that time he concluded to quit teach-

office boy and a chance to study law in the law office of Rogers, Brown & Rogers. He was paid about \$3.50 a week for his services until he was admitted to the four years served as a student, gave him eight years of the best kind of legal exfor a period of three years. He was nominated by the Democratic county

was nominated on the second ballot, his

county as a successful school teacher and Ill., since 1852, where he began practic-

naster-general under President Cleveand, which office he filled with ability. During his term he was strongly in favor wherever it could be done consistently

Tammany Will Work for the Ticket.

NEW YORK, June 27 .- Max Clerget, aged 18, who had just plead guilty of criminal assault upon Sarah Devin, was court this morning by the girl's brother, Edward Devin. The murderer was promptly arrested. Sarah Devin was Clerget's sister-in-law. The outrage was committed June 18 at 543 East Fifteenth street. Clerget was arrested the same day. Judge Martine was trying another case when Clerget was brought to the bar to plead to the incictment against him. The prisoner pleaded guilty and was being led away when Devin rushed forward vinced that there is no surety to high and shot him dead. The utmost excite-

> Burlington, Ia., June 28. Families nd stock in the flooded Mississippi Valy near here are in danger with the ragng river twenty miles wide. Mills have closed and floatable property has had to er than it was during the May flood, and at Rock, Island, Ill., the height of their homes, while the neighboring town of Milan is in the midst of the sea.
